- City was allocated \$2,737,433
 - Up to 15% for administration

BACKGROUND

- HOME-ARP funds may only be used for the following four eligible activities:
 - Tenant Based Rental Assistance (TBRA);
 - Development of affordable housing;
 - Supportive services;
 - Acquisition and development of Non-Congregate Shelter (NCS) units.

BACKGROUND

- HOME-ARP funds must be used to benefit individuals or families who are:
 - Homeless;
 - At-risk of homelessness;
 - Fleeing or attempting to flee domestic violence, dating violence, sexual assault, stalking or human trafficking;
 - Other populations at risk of homelessness due to housing instability;
 - Veterans and families that meet one of the preceding criteria.

BACKGROUND

- To access the grant award, HUD requires consultation process
- Consultations inform development of an Allocation Plan to recommend use of the funds
- Allocation Plan must also include a gap analysis and needs assessment

BACKGROUND

- Consultation with the public and the following groups:
