Please do not reply to all

Chair Rabinowitsh and members of the Waterways Advisory Committee,

The purpose of this email is to respond to a question received by the Planning staff for the upcoming meeting regarding the Hyatt Regency Sonoma Wine Country Fence and Lighting. Thank you for providing your questions and comments before the public meeting and allowing me to research responses to your questions.

Question: Might the applicant be kind enough to draw a FAT red line on an overview photo such as the one I captured from google earth with the proposed fence line?

Answer: The applicant has provided the attached document showing the location of the proposed fence and existing fence.

Please let me know if you have any further questions.

Thanks,

Monet Sheikhalil | City Planner
