WITH FIRST 5 SONOMA COUNTY COMMISSION  
AGREEMENT NUMBER \_\_\_\_\_**

This "Agreement" is made as of this \_\_\_day of \_\_\_\_\_, 2022, by and between the City of Santa Rosa, a municipal corporation ("City"), and First 5 Sonoma County Commission, a California public entity established in accordance with the California Children and Families Act of 1998 ("Contractor").

**RECITALS**

A. City desires to utilize ARPA funding to establish a Guaranteed Basic Income Program, consistent with federal reporting and other requirements.

B. City desires to retain a responsible and qualified firm to conduct the services described above in accordance with the Scope of Services as more particularly set forth in Exhibit A to this Agreement.

C. Contractor represents to City that it is a responsible firm composed of highly trained professionals with the ability and skills necessary to successfully perform the services hereunder under the terms and conditions of this Agreement.

D. The parties have negotiated upon the terms pursuant to which Contractor will provide such services and have reduced such terms to writing.

**AGREEMENT**

**NOW, THEREFORE**, City and Contractor agree as follows:

**1. SCOPE OF SERVICES**

Contractor shall provide to City the services described in Exhibit A ("Scope of Services"). Contractor shall provide these services at the time, place, and in the manner specified in Exhibit A. Exhibit A is attached hereto for the purpose of defining the manner and scope of services to be provided by Contractor and is not intended to, and shall not be construed so as to, modify or expand the terms, conditions or provisions contained in this Agreement. In the event of any conflict between this Agreement and any terms or conditions of any document prepared or provided by Contractor and made a part of this Agreement, including without limitation any document relating to the scope of services or payment therefor, the terms of this Agreement shall control and prevail.

**2. COMPENSATION**

a. City shall pay Contractor for services rendered pursuant to this Agreement at the rates, times and in the manner set forth in Exhibit B. Contractor shall submit monthly statements to City which shall itemize the services performed as of the date of the statement and set forth a progress report, including work accomplished during the period, percent of each task completed, and planned effort for the next period. Invoices shall identify personnel who have worked on the services provided, the number of hours each worked during the period covered by the invoice, the hourly rate for each person, and the percent of the total project completed, consistent with the rates and amounts shown in Exhibit B.

b. The payments prescribed herein shall constitute all compensation to Contractor for all costs of services, including, but not limited to, direct costs of labor of employees engaged by Contractor, travel expenses, telephone charges, copying and reproduction, computer time, and any and all other costs, expenses and charges of Contractor, its agents and employees. In no event shall City be obligated to pay late fees or interest, whether or not such requirements are contained in Contractor's invoice.

c. Notwithstanding any other provision in this Agreement to the contrary, the total maximum compensation to be paid for the satisfactory accomplishment and completion of all services to be performed hereunder shall in no event exceed the sum of one-million, eight-thousand dollars and no cents (\$1,008,000.00). The City's Chief Financial Officer is authorized to pay all proper claims from Charge Number 08060.

### **3. DOCUMENTATION; RETENTION OF MATERIALS; ACCESS TO RECORDS**

a. Contractor shall maintain adequate documentation to substantiate all charges as required under Section 2 of this Agreement.

b. Contractor shall keep and maintain full and complete documentation and accounting records concerning all extra or special services performed by it that are compensable by other than an hourly or flat rate.

c. Contractor shall maintain the records and any and all other records pertinent to this Agreement for a period of four (4) years after completion of all services hereunder.

d. Contractor agrees to provide City, the State of California, the Federal Emergency Management Agency ("FEMA") Administrator, the Comptroller General of the United States, and any or all of their authorized representatives, access to any books, documents, papers, and records of Contractor which are pertinent to this Agreement for the purposes of making audits, examinations, excerpts, and transcriptions.

e. Contractor agrees to permit all or any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed.

f. Contractor agrees to provide the FEMA Administrator or his authorized representatives access to work sites pertaining to the services being performed under this Agreement.

### **4. INDEMNITY**

a. Contractor shall, to the fullest extent permitted by law, indemnify, protect, defend and hold harmless City, and its employees, officials and agents ("Indemnified Parties") from all claims, demands, costs or liability (including liability for claims, suits, actions, arbitration proceedings, administrative proceedings, regulatory proceedings, losses, expenses or costs of any kind, interest, defense costs, and expert witness fees), that arise out of, pertain to, or relate to the negligence, recklessness, or willful misconduct of Contractor, its officers, employees, or agents, in said performance of professional services under this Agreement, excepting only liability arising from the sole negligence, active negligence or intentional misconduct of City.

b. The existence or acceptance by City of any of the insurance policies or coverages described in this Agreement shall not affect or limit any of City's rights under this Section 4, nor shall the limits of such insurance limit the liability of Contractor hereunder. This Section 4 shall not apply to any intellectual property claims, actions, lawsuits or other proceedings subject to the provisions of Section 18(b), below. The provisions of this Section 4 shall survive any expiration or termination of this Agreement.

## **5. INSURANCE**

a. Contractor shall maintain in full force and effect all of the insurance coverage described in, and in accordance with, Attachment One, "Insurance Requirements." Maintenance of the insurance coverage set forth in Attachment One is a material element of this Agreement and a material part of the consideration provided by Contractor in exchange for City's agreement to make the payments prescribed hereunder. Failure by Contractor to (i) maintain or renew coverage, (ii) provide City notice of any changes, modifications, or reductions in coverage, or (iii) provide evidence of renewal, may be treated by City as a material breach of this Agreement by Contractor, whereupon City shall be entitled to all rights and remedies at law or in equity, including but not limited to immediate termination of this Agreement. Notwithstanding the foregoing, any failure by Contractor to maintain required insurance coverage shall not excuse or alleviate Contractor from any of its other duties or obligations under this Agreement. In the event Contractor, with approval of City pursuant to Section 6 below, retains or utilizes any subcontractors in the provision of any services to City under this Agreement, Contractor shall assure that any such subcontractor has first obtained, and shall maintain, all of the insurance coverages set forth in the Insurance Requirements in Attachment One.

b. Contractor agrees that any available insurance proceeds broader than or in excess of the coverages set forth in the Insurance Requirements in Attachment One shall be available to the additional insureds identified therein.

c. Contractor agrees that the insurance coverages and limits provided under this Agreement are the greater of: (i) the coverages and limits specified in Attachment One, or (ii) the broader coverages and maximum limits of coverage of any insurance policy or proceeds available to the name insureds.

## **6. ASSIGNMENT**

Contractor shall not assign any rights or duties under this Agreement to a third party without the express prior written consent of City, in City's sole and absolute discretion. Contractor agrees that the City shall have the right to approve any and all subcontractors to be used by Contractor in the performance of this Agreement before Contractor contracts with or otherwise engages any such subcontractors.

## **8. INDEPENDENT CONTRACTOR**

a. It is understood and agreed that Contractor (including Contractor's employees) is an independent contractor and that no relationship of employer-employee exists between the parties hereto for any purpose whatsoever. Neither Contractor nor Contractor's assigned personnel shall be entitled to any benefits payable to employees of City. City is not required to make any deductions or withholdings from the compensation payable to Contractor under the provisions of this Agreement, and Contractor shall be issued a Form 1099 for its services hereunder. As an independent contractor, Contractor hereby agrees to indemnify and hold City harmless from any and all claims that may be made against City based upon any contention by any of Contractor's employees or by any third party, including but not limited to any state or federal agency, that an employer-employee relationship or a substitute therefor exists for any purpose whatsoever by reason of this Agreement or by reason of the nature and/or performance of any services under this Agreement.

b. It is further understood and agreed by the parties hereto that Contractor, in the performance of Contractor's obligations hereunder, is subject to the control and direction of City as to the designation of tasks to be performed and the results to be accomplished under this Agreement, but not as to the means, methods, or sequence used by Contractor for accomplishing such results. To the extent that Contractor obtains permission to, and does, use City facilities, space, equipment or support services in the performance of this Agreement, this use shall be at the Contractor's sole discretion based on the Contractor's determination that such use will promote Contractor's efficiency and effectiveness. Except as may be specifically provided elsewhere in this Agreement, the City does not require that Contractor use City facilities, equipment or support services or work in City locations in the performance of this Agreement.

c. If, in the performance of this Agreement, any third persons are employed by Contractor, such persons shall be entirely and exclusively under the direction, supervision, and control of Contractor. Except as may be specifically provided elsewhere in this Agreement, all terms of employment, including hours, wages, working conditions, discipline, hiring, and discharging, or any other terms of employment or requirements of law, shall be determined by Contractor. It is further understood and agreed that Contractor shall issue W-2 or 1099 Forms for income and employment tax purposes, for all of Contractor's assigned personnel and subcontractors.

d. The provisions of this Section 8 shall survive any expiration or termination of this Agreement. Nothing in this Agreement shall be construed to create an exclusive relationship between City and Contractor. Contractor may represent, perform services for, or be employed by such additional persons or companies as Contractor sees fit.

## **9. ADDITIONAL SERVICES**

Changes to the Scope of Services shall be by written amendment to this Agreement and shall be paid in accordance with the rates set forth in Exhibit B, or paid as otherwise agreed upon by the parties in writing prior to the provision of any such additional services.

## 10. SUCCESSORS AND ASSIGNS

City and Contractor each binds itself, its partners, successors, legal representatives and assigns to the other party to this Agreement and to the partners, successors, legal representatives and assigns of such other party in respect of all promises and agreements contained herein.

## 11. TERM, SUSPENSION, TERMINATION FOR CONVENIENCE AND CAUSE

a. This Agreement shall become effective on the date that it is made, set forth on the first page of the Agreement, and shall continue in effect until both parties have fully performed their respective obligations under this Agreement, unless sooner terminated as provided herein.

b. City shall have the right at any time to temporarily suspend Contractor's performance hereunder, in whole or in part, by giving a written notice of suspension to Contractor. If City gives such notice of suspension, Contractor shall immediately suspend its activities under this Agreement, as specified in such notice.

c. City shall have the right to terminate this Agreement for convenience at any time upon written notice of termination to Contractor. Upon such termination, Contractor shall submit to City an itemized statement of services performed as of the date of termination in accordance with Section 2 of this Agreement. These services may include both completed work and work in progress at the time of termination. City shall pay Contractor for any services for which compensation is owed; provided, however, City shall not in any manner be liable for lost profits that might have been made by Contractor had the Agreement not been terminated or had Contractor completed the services required by this Agreement. Contractor shall promptly deliver to City all documents related to the performance of this Agreement in its possession or control. All such documents shall be the property of City without additional compensation to Contractor.

d. City shall have the right to terminate this Agreement for cause upon written notice to Contractor following an Event of Default. The following shall be "Events of Default" hereunder and the term "Event of Default" shall mean, whenever it is used herein, any one or more of the following events:

(i) The failure by Contractor to perform any obligation under this Agreement, which by its nature Contractor has no capacity to cure;

(ii) The failure by Contractor to perform any other obligation under this Agreement, if the failure has continued for a period of ten (10) days after the City demands in writing that Contractor cure the failure. If, however, by its nature the failure cannot be cured within ten (10) days, Contractor may have a longer period as is necessary to cure the failure, but this is conditioned upon Contractor's promptly commencing to cure within the ten (10) day period and thereafter diligently completing the cure. Contractor shall indemnify and defend the City against any liability, claim, damage, loss, or penalty that may be threatened or may in fact arise from that failure during the period the failure is uncured;

(iii) Any of the following: A general assignment by Contractor for the benefit of Contractor's creditors; any voluntary filing, petition, or application by Contractor under any law relating to insolvency or bankruptcy, whether for a declaration of bankruptcy, a reorganization, an arrangement, or otherwise;

(iv) The appointment of a trustee or receiver to take possession of all or substantially all of Contractor's assets; or the attachment, execution or other judicial seizure of all or substantially all of Contractor's assets or of Contractor's interest in this Agreement, unless the appointment or attachment, execution, or seizure is discharged within thirty (30) days; or the involuntary filing against Contractor, or

any general partner of Contractor if Contractor is a partnership, or

(a) a petition to have Contractor, or any partner of Contractor if Contractor is a partnership, declared bankrupt, or

(b) a petition for reorganization or arrangement of Contractor under any law relating to insolvency or bankruptcy, unless, in the case of any involuntary filing, it is dismissed within sixty (60) days.

(v) Any representation or warranty related to this Agreement made by any agent of Contractor is determined to have been false or misleading in any material respect at the time made.

## **12. REMEDIES UPON DEFAULT**

This Section 12 shall apply in the event the amount payable under this Agreement exceeds the simplified acquisition threshold as determined pursuant to section 1908 of title 41 of the United States Code, or \$150,000, whichever amount is greater.

a. Remedies on Event of Default. Upon the occurrence of an Event of Default as defined in Section 11, City shall have the right upon written notice to Contractor, in addition to any other rights or remedies available to City at law or in equity, to:

(i) Terminate this Agreement and all rights of Contractor under this Agreement, (ii) Continue this Agreement without terminating the Agreement, or (iii) Temporarily suspend Contractor's performance hereunder, in whole or in part, and recover from Contractor the aggregate sum of;

(1) any amount necessary to compensate City for all the detriment caused by Contractor's failure to perform its obligations or that, in the ordinary course of things, would be likely to result from its failure; and

(2) all other amounts in addition to or in lieu of those previously set out as may be permitted from time to time by applicable California or Federal law.

(b) None of the previous remedial actions, alone or in combination, shall be construed as an election by City to terminate this Agreement unless City has in fact given Contractor written notice that this Agreement is terminated or unless a court of competent jurisdiction decrees termination of this Agreement. If City takes any of the previous remedial actions without terminating this Agreement City may nevertheless at any later time terminate this Agreement by written notice to Contractor.

(c) After the occurrence of an Event of Default, the City, in addition to or in lieu of exercising other remedies, may, but without any obligation to do so, cure the breach underlying the Event of Default for the account and at the expense of Contractor. However, City must by prior notice first allow Contractor a reasonable opportunity to cure, except in cases of emergency, where City may proceed without prior notice to Contractor. Contractor shall, upon demand, immediately reimburse City for all costs, including costs of settlements, defense, court costs, and attorneys' fees that City may incur in the course of any cure.

(d) No security or guaranty for the performance of Contractor's obligations that City may now or later hold shall in any way constitute a bar or defense to any action initiated by City for enforcement of any obligation of Contractor or for the recovery of damages caused by an Event of Default.

(e) Except where this is inconsistent with or contrary to any provisions of this Agreement, no right or remedy conferred upon or reserved to City is intended to be exclusive of any other right or remedy, or any right or remedy given or now or later existing at law or in equity or by statute. Except to the extent that City may have otherwise agreed in writing, no waiver by City of any violation or nonperformance by Contractor of any obligations, agreements, or covenants under this Agreement shall be deemed to be a waiver of any subsequent violation or nonperformance of the same or any other covenant, agreement, or obligation, nor shall any forbearance by City to exercise a remedy for any violation or nonperformance by Contractor be deemed a waiver by City of the rights or remedies with respect to that violation or nonperformance.

(f) Indemnification. The exercise of City of any one or more of the remedies set forth in this Section 12 shall not affect the rights of City or the obligations of Contractor under the indemnity provisions set forth in Section 4 hereof.

(g) No Remedy Exclusive. No remedy herein conferred upon or reserved to City is intended to be exclusive and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any Event of Default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle City to exercise any remedy reserved to it in this subsection it shall not be necessary to give any notice, other than such notice as may be required in this Section or by law.

(h) Notice of Default. Contractor agrees that, as soon as is practicable, and in any event within ten (10) days after such event, Contractor will furnish City notice of any event which is an Event of Default under this Agreement, or which with the giving of notice or the passage of time or both could constitute an Event of Default under this Agreement, which has occurred and is continuing on the date of such notice, which notice shall set forth the nature of such event and the action which Contractor proposes to take with respect thereto. Each subcontract shall include the provisions of this subsection (h) to require each subcontractor of Contractor to provide City notice of any Event of Subcontractor Default in the same manner as required hereunder of Contractor for an Event of Default.

### **13. TIME OF PERFORMANCE**

The services described herein shall be provided during the period, or in accordance with the schedule, set forth in Exhibit A. Contractor shall complete all the required services and tasks and complete and tender all deliverables to the reasonable satisfaction of City, not later than December 31, 2026, with funds having been committed by December 31, 2024, in accordance with the American Rescue Plan Act requirements.

### **14. STANDARD OF PERFORMANCE**

Contractor shall perform all services performed under this Agreement in the manner and according to the standards currently observed by a competent practitioner of Contractor's profession in California. All products of whatsoever nature that Contractor delivers to City shall be prepared in a professional manner and conform to the standards of quality normally observed by a person currently practicing in Contractor's profession, and shall be provided in accordance with any schedule of performance. Contractor shall assign only competent personnel to perform services under this Agreement. Contractor shall notify City in writing of any changes in Contractor's staff assigned to perform the services under this Agreement prior to any such performance. In the event that City, at any time, desires the removal of any person assigned by Contractor to perform services under this Agreement,

because City, in its sole discretion, determines that such person is not performing in accordance with the standards required herein, Contractor shall remove such person immediately upon receiving notice from City of the desire of City for the removal of such person.

## 15. CONFLICTS OF INTEREST

Contractor covenants that neither it, nor any officer or principal of its firm, has or shall acquire any interest, directly or indirectly, that would conflict in any manner with the interests of City or that would in any way hinder Contractor's performance of services under this Agreement. Contractor further covenants that in the performance of this Agreement, no person having any such interest shall be employed by it as an officer, employee, agent or subcontractor, without the written consent of City. Contractor agrees to avoid conflicts of interest or the appearance of any conflicts of interest with the interests of City at all times during the performance of this Agreement.

## 16. CONFLICT OF INTEREST REQUIREMENTS

a. **Generally.** The City's Conflict of Interest Code requires that individuals who qualify as "consultants" under the Political Reform Act, California Government Code sections 87200 *et seq.*, comply with the conflict of interest provisions of the Political Reform Act and the City's Conflict of Interest Code, which generally prohibit individuals from making or participating in the making of decisions that will have a material financial effect on their economic interests. The term "consultant" generally includes individuals who make governmental decisions or who serve in a staff capacity.

b. **Conflict of Interest Statements.** The individual(s) who will provide services or perform work pursuant to this Agreement are "consultants" within the meaning of the Political Reform Act and the City's Conflict of Interest Code:

yes no (check one)

If "yes" is checked by the City, Contractor shall cause the following to occur within 30 days after execution of this Agreement:

- (1) Identify the individuals who will provide services or perform work under this Agreement as "consultants;" and
- (2) Cause these individuals to file with the City Clerk the assuming office statements of economic interests required by the City's Conflict of Interest Code.

Thereafter, throughout the term of the Agreement, Contractor shall cause these individuals to file with the City Clerk annual statements of economic interests, and "leaving office" statements of economic interests, as required by the City's Conflict of Interest Code.

The above statements of economic interests are public records subject to public disclosure under the California Public Records Act. The City may withhold all or a portion of any payment due under this Agreement until all required statements are filed.

## 17. CONFIDENTIALITY OF CITY INFORMATION

During performance of this Agreement, Contractor may gain access to and use City information regarding inventions, machinery, products, prices, apparatus, costs, discounts, future plans, business affairs, governmental affairs, processes, trade secrets, technical matters, systems, facilities,

customer lists, product design, copyright, data, and other vital information (hereafter collectively referred to as "City Information") that are valuable, special and unique assets of the City. Contractor agrees to protect all City Information and treat it as strictly confidential, and further agrees that Contractor shall not at any time, either directly or indirectly, divulge, disclose or communicate in any manner any City Information to any third party without the prior written consent of City. In addition, Contractor shall comply with all City policies governing the use of the City network and technology systems. A violation by Contractor of this Section 17 shall be a material violation of this Agreement and shall justify legal and/or equitable relief.

## **18. CONTRACTOR INFORMATION**

a. City shall have full ownership and control, including ownership of any copyrights, of all information prepared, produced, or provided by Contractor pursuant to this Agreement. In this Agreement, the term "information" shall be construed to mean and include: any and all work product, submittals, reports, plans, specifications, and other deliverables consisting of documents, writings, handwritings, typewriting, printing, photostatting, photographing, computer models, and any other computerized data and every other means of recording any form of information, communications, or representation, including letters, works, pictures, drawings, sounds, or symbols, or any combination thereof. Contractor shall not be responsible for any unauthorized modification or use of such information for other than its intended purpose by City.

b. Contractor shall fully defend, indemnify and hold harmless City, its officers and employees, and each and every one of them, from and against any and all claims, actions, lawsuits or other proceedings alleging that all or any part of the information prepared, produced, or provided by Contractor pursuant to this Agreement infringes upon any third party's trademark, trade name, copyright, patent or other intellectual property rights. City shall make reasonable efforts to notify Contractor not later than ten (10) days after City is served with any such claim, action, lawsuit or other proceeding, provided that City's failure to provide such notice within such time period shall not relieve Contractor of its obligations hereunder, which shall survive any termination or expiration of this Agreement.

c. All proprietary and other information received from Contractor by City, whether received in connection with Contractor's proposal, will be disclosed upon receipt of a request for disclosure, pursuant to the California Public Records Act; provided, however, that, if any information is set apart and clearly marked "trade secret" when it is provided to City, City shall give notice to Contractor of any request for the disclosure of such information. Contractor shall then have five (5) days from the date it receives such notice to enter into an agreement with the City, satisfactory to the City Attorney, providing for the defense of, and complete indemnification and reimbursement for all costs (including plaintiff's attorneys' fees) incurred by City in any legal action to compel the disclosure of such information under the California Public Records Act. Contractor shall have sole responsibility for defense of the actual "trade secret" designation of such information.

d. The parties understand and agree that any failure by Contractor to respond to the notice provided by City and/or to enter into an agreement with City, in accordance with the provisions of subsection c, above, shall constitute a complete waiver by Contractor of any rights regarding the information designated "trade secret" by Contractor, and such information shall be disclosed by City pursuant to applicable procedures required by the Public Records Act.

## **19. FEDERAL PROVISIONS**

Contractor shall comply with the provisions in Exhibit C to this Agreement. In the event of a conflict between any provision in Exhibit C and any other provision of this Agreement, the more stringent

provision shall control and prevail.

## **20. GENERAL PROVISIONS**

a. Entire Agreement. This Agreement contains the entire agreement between the parties. Any and all verbal or written agreements made prior to the date of this Agreement are superseded by this Agreement and shall have no further effect.

b. Modification. No modification or change to the terms of this Agreement will be binding on a party unless in writing and signed by an authorized representative of that party.

c. Compliance with Laws. Contractor shall perform all services described herein in compliance with all applicable federal, state and local laws, rules, regulations, and ordinances, including but not limited to, (i) the Americans with Disabilities Act of 1990 (42 U.S.C. 12101, et seq.) ("ADA"), and any regulations and guidelines issued pursuant to the ADA; and (ii) Labor Code sections 1720, et seq., which require prevailing wages (in accordance with DIR determinations at [www.dir.ca.gov](http://www.dir.ca.gov)) be paid to any employee performing work covered by Labor Code sections 1720 et seq. Contractor shall pay to City when due all business taxes payable by Contractor under the provisions of Chapter 6-04 of the Santa Rosa City Code. City may deduct any delinquent business taxes, and any penalties and interest added to the delinquent taxes, from its payments to Contractor.

d. Discrimination Prohibited. With respect to the provision of services under this Agreement, Contractor agrees not to discriminate against any person because of the race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status of that person.

e. Governing Law; Venue. This Agreement shall be governed, construed and enforced in accordance with the laws of the State of California and Federal law. Venue of any litigation arising out of or connected with this Agreement shall lie in the state trial court in Sonoma County in the State of California or the United States District Court, Northern District of California, and the parties consent to jurisdiction over their persons and over the subject matter of any such litigation in such courts, and consent to service of process issued by such courts.

f. Waiver of Rights. Neither City acceptance of, or payment for, any service or performed by Contractor, shall be construed as a waiver of any provision of this Agreement, nor as a waiver of any other default, breach or condition precedent or any other right hereunder.

g. Incorporation of Attachments and Exhibits. The attachments and exhibits to this Agreement are incorporated and made part of this Agreement, subject to terms and provisions herein contained.

## **21. AUTHORITY; SIGNATURES REQUIRED FOR CORPORATIONS**

### SCOPE OF SERVICES

#### **PROGRAM: Guaranteed Basic Income Pilot Project – \$1,008,000**

The City will contribute ARPA funds to fund the Santa Rosa Guaranteed Basic Income program, leveraging support of the County-wide Guaranteed Basic Income Pilot Project led by First 5 Sonoma County, launched July 1, 2022.

- Over 300 eligible families countywide with children under 6 years old (including a minimum of 80 families in Santa Rosa) who have been most negatively impacted by the COVID-19 pandemic will be selected to receive monthly payments of \$500 for 24-months. Emerging research findings indicate that a guaranteed basic income mitigates the long-term impacts of child poverty and promotes upward family economic mobility by bolstering very low-income families' economic stability and reducing income volatility.

#### Use of County Funds

First 5 Sonoma has been awarded County of Sonoma ARPA funding for the following purposes:

- To support a robust evaluation of the pilot via an external evaluator
- Cover the cost of a user-friendly payment platform
- Staffing costs for outreach
- Project management and direct basic income payments to 153 participants.

#### **The City of Santa Rosa ARPA funds will directly support the participation of 80 families with children under six years of age, residing within identified QCTs in the City.**

Contributions of ARPA funds from three cities (Santa Rosa, Healdsburg and Petaluma) will build on the core investment from the County and will expand the reach of the pilot project to a total of 305 families countywide.

#### Use of City Funds

- \$960,000 will fund monthly payments of \$500 for 24-months to 80 Santa Rosa families via Fund for Guaranteed Income (F4GI), a nonprofit financial institution and payment platform that specializes in cash distribution to marginalized populations (i.e. unbanked, previously incarcerated people, etc.).
  - Dedicated funds for guaranteed basic income payments will be advanced by the City in a lump sum to First 5 Sonoma by September, 2022.
  - First 5 Sonoma will then transfer the total amount in a lump sum to F5GI prior to January 2023.
- \$48,000 is allocated as a 5% administrative fee to support dedicated First 5 staffing required to manage and administer ARPA programming and data/financial tracking and reporting over the 2.5 years.

A robust outreach effort by a collaborative coalition of nonprofits will ensure the most vulnerable and marginalized families have access to the opportunity to apply to participate.

- Of the eligible and targeted applicants, 305 (including at least 80 Santa Rosa families) will be randomly selected and onboarded by mid-December 2022.
- Monthly basic income payments will begin in January 2023.
