WHEREAS, the City of Santa Rosa Transportation and Public Work Department submitted a request to purchase six 2023 Toyota Sienna Hybrid Minivans under the California Department of General Service (DGS) Statewide Contract for Fleet Vehicles 1-22-23-23A-1; and

WHEREAS, TPW Fleet Services learned through market research that local vendors did not have facility to provide firm pricing or availability on this body style vehicle due to the reduced allocations from manufacturers and the increasing backlog of retail orders to the general public; and

WHEREAS, the Toyota Sienna Hybrid minivan is the only hybrid product option that is the least expensive through the DGS contract; and

WHEREAS, these vehicles will replace six existing fleet assets under the Fleet Replacement fund 300106; and

WHEREAS, Santa Rosa City Code 3-08.160 allows for utilization of purchase agreement maintained by the State, County, and other public agencies when advantageous to the City.
