

Following is a general project description of Raven's Palette Studios, LLC:

Hours of operation:

Monday & Tuesday – closed.

Wednesday, Thursday, Friday, Saturday, & Sunday – 12:00PM – 8:00PM.

The number of people who will initially be working there will be 1. This is a single chair private studio and there will be no future employees. In the event that expansion occurs at a later date, it will be in a different, larger space.

The amount of traffic will consist of 1-2 clients per day, by appointment only.

All paintings, prints, apparel, and other merchandise will be sold online only and not in person at the studio. The purpose of this is to limit foot traffic.

There will be no sale of tattoo related products.

The only alterations that I will be making to the space will be aesthetic in nature – epoxying the floors and painting the walls.

If there are any further questions, please feel free to email me and I will be happy to provide you with whatever information you need.

Thanks,

Drue
