SRJC development
plans for this area TBD

Committee Input

Staff is seeking input from the Art in Public Places Committee on the following:

1. Should public art be included in this project and supported by the Public Art Program;
2. Locations identified for public art within the project area; and
3. Appropriate budget for public art component.

Next Steps

Summer 2022	Finalize public art funding and budget
Summer/Fall 2022	Develop Public Art Project Plan and RFQ
Fall 2022	APPC approval of Project Plan and RFQ; Publish RFQ
Winter/Spring 2023	Selection process
Summer 2023	Selected artist and design approved by APPC
Fall 2023 - 2025	Coordinate installation with overcrossing construction

Questions?

Thank You!
