QUALIFICATIONS

Legal Aid of Sonoma County (LASC) has been providing legal services to tenants, and select landlords, for over 15 years. Legal Aid assists over 800 adults and over 450 children with housing related legal services annually, in addition to answering over 1,000 housing related calls on our hotlines.

Staff providing housing advocacy services are licensed and experienced attorneys, paralegals, caseworkers and support staff. We also utilize trained volunteer attorneys who have worked in our housing program for over 10 years, law students, and SSU interns.

CORE SERVICES

OVERVIEW: Legal Aid of Sonoma County will provide low-income tenants with housing stabilization assistance that includes, but is not limited to, tenant education, assistance with eviction defense, habitability issues, and Section 8 advocacy. This work will be even more crucial following the COVID-19 pandemic. LASC will assist tenants impacted by COVID-19. to negotiate with their landlords.

While litigation is employed when necessary, such as when a tenant has already received an eviction complaint, currently LASC negotiates and settles over 80% of all its cases.

LASC will collaborate with the City's code enforcement office in alerting them to substandard conditions and working to ensure landlords comply with habitability laws and code enforcement actions.
