Conor,

I am Casey Molinari's next door neighbor on Boulder Lane and I would like to speak with you about his fence project. Casey took the fence down last April and we have not been able to let our dog run free in the backyard since then in addition to our loss of privacy. Casey tells us that the permit is still in review. I'd also like to speak with you about this as well as the height of the proposed 10 foot fence. You can reach me at 707-486-1934. Thank you.

Hi Conor,

We received your notice of a public meeting and wanted to comment on the Boulder fence with an email.

We live on Newanga Avenue. We want you to know that we support the construction of backyard fencing of various heights as proposed by Casey Meister.

Thank you.

Sincerely,

Kris and Rick Henry
