D. The parties have negotiated upon the terms pursuant to which Consultant will provide such services and have reduced such terms to writing.

**AGREEMENT**

**NOW, THEREFORE**, City and Consultant agree as follows:

**1. SCOPE OF SERVICES**

Consultant shall provide to City the services described in Exhibit A ("Scope of Services"). Consultant shall provide these services at the time, place, and in the manner specified in Exhibit A. Exhibit A is attached hereto for the purpose of defining the manner and scope of services to be provided by Consultant and is not intended to, and shall not be construed so as to, modify or expand the terms, conditions or provisions contained in this Agreement. In the event of any conflict between this Agreement and any terms or conditions of any document prepared or provided by Consultant and made a part of this Agreement, including without limitation any document relating to the scope of services or payment therefor, the terms of this Agreement shall control and prevail.

**2. COMPENSATION**

a. City shall pay Consultant for services rendered pursuant to this Agreement at the rates, times and in the manner set forth in Exhibit A. Consultant shall submit monthly statements to City which shall itemize the services performed as of the date of the statement and set forth a progress report, including work accomplished during the period, percent of each task completed, and planned effort for the next period. Invoices shall identify personnel who have worked on the services provided, the number of hours each worked during the period covered by the invoice, the hourly rate for each person, and a description of the services performed by each person, consistent with the rates and amounts shown in Exhibit A.

b. The payments prescribed herein shall constitute all compensation to Consultant for all costs of services, including, but not limited to, direct costs of labor of employees engaged by Consultant, travel expenses, telephone charges, copying and reproduction, computer time, and any and all other costs, expenses and charges of Consultant, its agents and employees. In no event shall City be obligated to pay late fees or interest, whether or not such requirements are contained in Consultant's invoice.

c. Notwithstanding any other provision in this Agreement to the contrary, the total maximum compensation to be paid for the satisfactory accomplishment and completion of all services to be performed hereunder shall in no event exceed the sum of one hundred fifty thousand (\$150,000). The City's Chief Financial Officer is authorized to pay all proper claims from Charge Number 130101-5321 (other outside services).

### **3. DOCUMENTATION; RETENTION OF MATERIALS**

a. Consultant shall maintain adequate documentation to substantiate all charges as required under Section 2 of this Agreement.

b. Consultant shall keep and maintain full and complete documentation and accounting records concerning all extra or special services performed by it that are compensable by other than an hourly or flat rate and shall make such documents and records available to authorized representatives of City for inspection at any reasonable time.

c. Consultant shall maintain the records and any other records related to the performance of this Agreement and shall allow City access to such records during the performance of this Agreement and for a period of four (4) years after completion of all services hereunder.

### **4. INDEMNITY**

a. Consultant shall, to the fullest extent permitted by law, indemnify, protect, defend and hold harmless City, and its employees, officials and agents ("Indemnified Parties") from all claims, demands, costs or liability (including liability for claims, suits, actions, arbitration proceedings, administrative proceedings, regulatory proceedings, losses, expenses or costs of any kind, interest, defense costs, and expert witness fees), that arise out of, pertain to, or relate to the negligence, recklessness, or willful misconduct of Consultant, its officers, employees, or agents, in said performance of professional services under this Agreement, excepting only liability arising from the sole negligence, active negligence or intentional misconduct of City.

b. The existence or acceptance by City of any of the insurance policies or coverages described in this Agreement shall not affect or limit any of City's rights under this Section 4, nor shall the limits of such insurance limit the liability of Consultant hereunder. The provisions of this Section 4 shall survive any expiration or termination of this Agreement.

### **5. INSURANCE**

a. Consultant shall maintain in full force and effect all of the insurance coverage described in, and in accordance with, Attachment One, "Insurance Requirements." Maintenance of the insurance coverage set forth in Attachment One is a material element of this Agreement and a material part of the consideration provided by Consultant in exchange for City's agreement to make the payments prescribed hereunder. Failure by Consultant to (i) maintain or renew coverage, (ii) provide City notice of

any changes, modifications, or reductions in coverage, or (iii) provide evidence of renewal, may be treated by City as a material breach of this Agreement by Consultant, whereupon City shall be entitled to all rights and remedies at law or in equity, including but not limited to immediate termination of this Agreement. Notwithstanding the foregoing, any failure by Consultant to maintain required insurance coverage shall not excuse or alleviate Consultant from any of its other duties or obligations under this Agreement. In the event Consultant, with approval of City pursuant to Section 6 below, retains or utilizes any subcontractors or subconsultants in the provision of any services to City under this Agreement, Consultant shall assure that any such subcontractor has first obtained, and shall maintain, all of the insurance coverages set forth in the Insurance Requirements in Attachment One.

b. Consultant agrees that any available insurance proceeds broader than or in excess of the coverages set forth in the Insurance Requirements in Attachment One shall be available to the additional insureds identified therein.

c. Consultant agrees that the insurance coverages and limits provided under this Agreement are the greater of: (i) the coverages and limits specified in Attachment One, or (ii) the broader coverages and maximum limits of coverage of any insurance policy or proceeds available to the name insureds.

## **6. ASSIGNMENT**

Consultant shall not assign any rights or duties under this Agreement to a third party without the express prior written consent of City, in City's sole and absolute discretion. Consultant agrees that the City shall have the right to approve any and all subcontractors and subconsultants to be used by Consultant in the performance of this Agreement before Consultant contracts with or otherwise engages any such subcontractors or subconsultants.

## **11. TERM, SUSPENSION, TERMINATION**

a. This Agreement shall become effective on the date that it is made as set forth on the first page of the Agreement, and shall continue in effect until both parties have fully performed their

respective obligations under this Agreement, unless sooner terminated as provided herein.

If City gives such notice of suspension, Consultant shall immediately suspend its activities under this Agreement, as specified in such notice.

c. City shall have the right to terminate this Agreement at any time, in its absolute discretion and without cause, by giving a written notice of termination to Consultant. Consultant shall have the right to terminate this Agreement on 30 days' written notice to the extent permitted by the California Rules of Professional Responsibility. Upon such termination, Consultant shall submit to City an itemized statement of services performed as of the date of termination in accordance with Section 2 of this Agreement. These services may include both completed work and work in progress at the time of termination. City shall pay Consultant for any services for which compensation is owed; provided, however, City shall not in any manner be liable for lost profits that might have been made by Consultant had the Agreement not been terminated or had Consultant completed the services required by this Agreement. Consultant shall promptly deliver to City all documents related to the performance of this Agreement in its possession or control. All such documents shall be the property of City without additional compensation to Consultant.

Re: *Kessner v. City of Santa Clara, et al.* (Fire Hydrant Lawsuit)  
Santa Clara Superior Court, Case No. 20CV364054

Dear Molly:

You have asked me to provide you with a proposal to assist the City of Santa Rosa in its defense of the lawsuit of *Kessner v. City of Santa Clara* which challenges the City's water rates, in particular the components of the rates that pay for fire hydrants.

As I mentioned when we spoke on the phone, I have broad experience defending cities in legal challenges to municipal utility rates under Propositions 218 and 26 and in litigating class actions. Examples include:

- *Lejins v. City of Long Beach* (Proposition 218 challenge to water rates)
- *Howard Jarvis Taxpayers v. City of Stockton* (Proposition 218 challenge to water and sewer rates)
- *Gray v. City of Napa* (Proposition 218 challenge to water rates)
- *Great Oaks v. Santa Clara Valley Water District* (fifteen lawsuits challenging groundwater pumping charges under Propositions 26 and 218)
- *Shatto v. Santa Clara Valley Water District* (challenge to groundwater pumping charges under Propositions 26 and 218)
- *Aquino v. City of Long Beach* (class action challenging municipal gas rates under Proposition 26)
- *Spencer v. City of Burbank* (class action challenging municipal electric rates under Proposition 26)
- *Komesar v. City of Pasadena* (class action challenging municipal electric rates under Proposition 26)
- *Palmer v. City of Anaheim* (class action challenging municipal electric rates under Proposition 26)

I also frequently advise cities and districts on complying with Proposition 218 when setting water rates.

I have been approached by several cities to represent them in this case. The cities of Long Beach, Hayward, Petaluma, and Napa, have already retained me to represent them, and I am in discussions with five others.

I believe that we could obtain significant savings with a joint representation, since there are many costs that could be shared between joint defendants. I have handled joint representations of cities several times before. I provided a joint defense for ten cities in litigation concerning telephone user taxes (*Sipple v. City of Hayward*) and twenty-seven cities and districts in litigation against Contra Costa County over property tax allocations (*City of Brentwood v. Campbell*). I also represented most of the cities in San Mateo County in claims against the County regarding property taxes.

For this case, I propose having two fee arrangements with each city. One arrangement would cover those costs that are particular to that city, such as reviewing and analyzing that city's water rates to determine how the rates handle the costs of fire hydrants; any motions or pleadings that need to be made for that city individually; and communications, consultations, and updates for that city. The other arrangement would be for those costs that can be shared between the cities, such as joint research, joint motions, joint oppositions to motions, and case management. I propose dividing these joint costs equally between the cities (i.e., if there are eight cities, then the bill would be divided by eight with each city asked to pay one-eighth).

As we discussed, it was procedurally improper for the plaintiffs to file the case as a single action in one county. For example, Santa Rosa should have been sued in Sonoma County, not Santa Clara County. There is therefore a good chance that the case will be broken up and the plaintiffs will be required to file separate lawsuits in each county. Even if that occurs, we should still be able to share a significant amount of the costs. In particular, the legal research on the main issue—whether fire hydrants are a general government service that is equally available to the public at large—will be very much the same for all cities, and any briefs arguing this point will be very similar.

For the work that is specific to the City of Santa Rosa, I propose the following rates:

Senior Partners:	\$340 per hour
Partners/Of Counsel:	\$305 per hour
Associates:	\$240 per hour
Legal Assistants:	\$125 per hour

And for the work that is common to all of the cities, I propose the following rates:

Senior Partners:	\$360 per hour
Partners/Of Counsel:	\$325 per hour
Associates:	\$250 per hour
Legal Assistants:	\$125 per hour

Molly L. MacLean

We do not charge separately for copying, legal research, or administrative overhead. The higher rates for the joint work are partly to account for the increased administrative cost of a joint representation.

Thank you for being interested in retaining Jarvis, Fay & Gibson to assist the City of Santa Rosa in the case. Please let me know if you have any questions.

Very truly yours,
