General Plan, Zoning

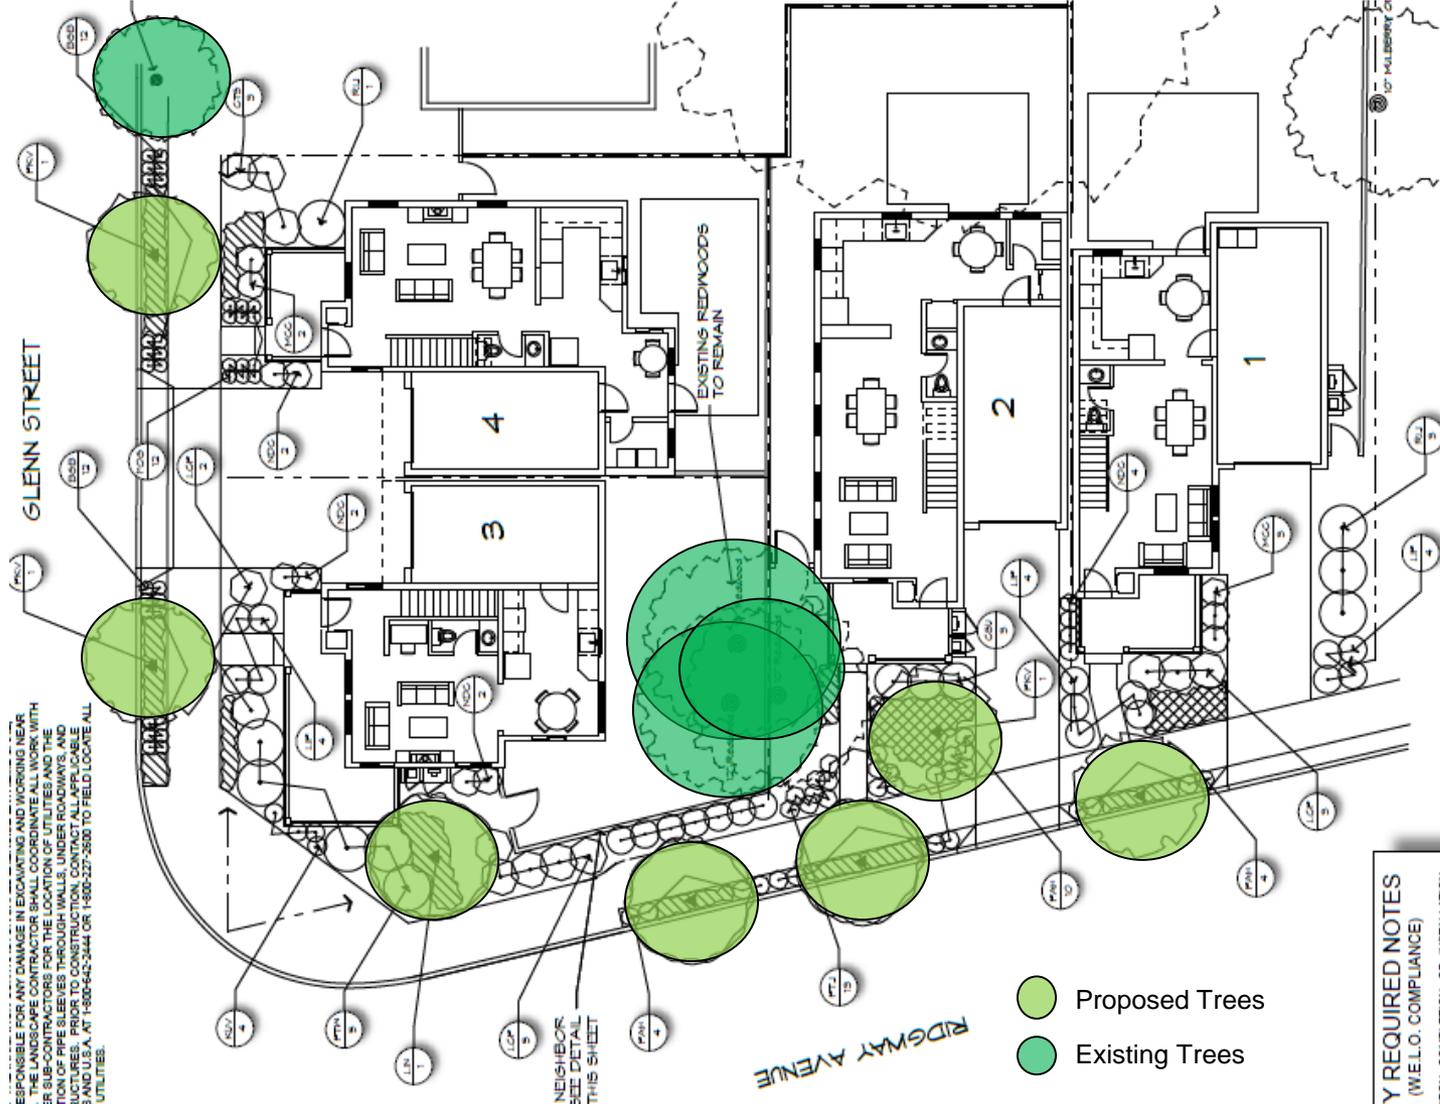

Rendering – Ridgway Avenue

Rendering – Glenn Street

Proposed project has been reviewed in compliance with the California Environmental Quality Act (CEQA) and qualifies for a Class 32 exemption pursuant to CEQA Guidelines Section 15332

- Consistent with General Plan
- Consistent with applicable zoning
- Occurs within the city limits on a site less than five acres
- Substantially surrounded by urban uses
- No value as habitat for endangered, rare or threatened species
- No significant effects relating to traffic, noise, air or water quality

Neighborhood Comments received during Concept Design Review Meeting:

- Parking
- Setbacks
- Existing zoning and neighborhood compatibility
- Building massing relative to the surrounding residences

It is recommended by the Planning and Economic Development Department that the Cultural Heritage Board and the Design Review Board, by Resolution, approve Preliminary Design Review for the Sequoia Green Project.
