

It's Water Professionals Appreciation Week!

Board of Public Utilities

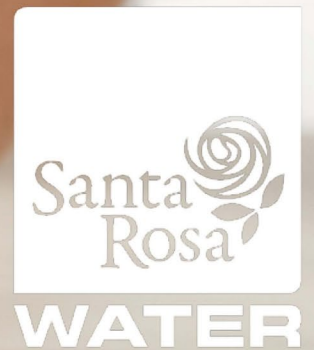

October 6, 2022

Elise Miller, Communications Coordinator

Thank you to the Santa Rosa Water team for all you do.

FROM ENSURING
53,000
customers receive
safe, reliable, and
high-quality
drinking water

A close-up photograph of industrial machinery at a water treatment plant. The central focus is a vertical stainless steel pipe with a blue-handled valve and a black handwheel. The background is filled with other pipes and equipment, creating a sense of a complex industrial facility.

TO MAINTAINING
1200
miles of water
and sewer pipe

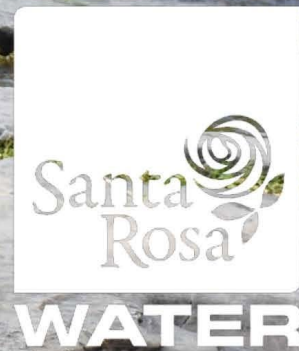

TO OPERATING
a regional
water reuse
system that
recycles and
beneficially
reuses

7 billion
gallons of
water a year

WATER

TO PROTECTING NEARLY
100 miles
of creeks

THE
276
employees of the
Santa Rosa Water
team work around
the clock to
protect our water
resources
