

**MEASURE NO. 2****CITY OF SANTA ROSA**

Shall language be added to Section 4 of the Charter of the City of Santa Rosa as set forth below?

**Section 1.** The following paragraph is added, as the third paragraph, to Section 4 of the Charter of the City of Santa Rosa to read as follows:

“Council members shall receive compensation of \$1,500 per month and the Mayor shall receive compensation of \$2,250 per month while serving in that position. This compensation shall be subject to an annual cost of living adjustment (COLA) which shall match the annual increase given to the City’s executive staff, but which may not exceed the annual consumer price index (CPIU) increase for the San Francisco Greater Bay Area. Council members shall be allowed fringe benefits through participation in, and City contribution to, the City’s retirement plan, health plans, eye and dental care programs, long-term disability (LTD) and employee assistance program (EAP).”

**Section 2.** Should both this Measure 2 and Measure 1 be adopted, Council compensation shall be controlled by this measure and its provisions only shall become effective and be inserted in the Charter as the third paragraph of Section 4. Should this Measure 2 be adopted and Measure 1 be rejected, then the provisions of the existing Section 4 of the Charter relating to Council compensation (second sentence of first paragraph of Section 4) shall be deleted from the Charter and be without further effect and the provisions of Section 1 of this measure shall be added to existing Section 4.
