The proposed project has been reviewed in compliance with the California Environmental Quality Act (CEQA) and qualifies for Class 1 and Class 4 Categorical Exemptions under CEQA Guidelines §15301 and §15304 in that the mobile food vendor will use existing facilities involving negligible or no expansion, and it is a minor temporary use of land having negligible or no permanent effects on the environment.

The Planning and Economic Development Department recommends that the Zoning Administrator approve the Minor Conditional Use Permit to allow the operation of a Mobile Food Vendor at 1400 Farmers Lane, subject to the conditions of approval listed in the attached resolution.
