## **The SULPHUR SYLLABIS as in Biblical this years Easter to kick their Keister...**

**Thomas Jefferson's Bible "the Syllabis" pulled no punches in disclosing his disdain of religious "Serpent Seed" leaders from the Judeo – Christians. In particular their sincerely fabricated Hypocrisy... and afterall is not every church, temple & mosque in the USA a verifiable Non- Prophet aka 501.C3 yess...**

**These Organized religions were/are Organized by Fallen Angels, right? Yess**

**Their Greatest Coup over the Likes of You if you are among their followers.... Is that Every Time they have you "PRAY" to be simultaneously taking the Living Lord's name in Vain !!! For to ask for Guidance, Direction or Assistance while denying the Commandments whether the 10 or the TWO... is basically Spitting into the Face of Almighty God.... And then how many pay these deceivers, Good Lord!**

**For to Break One Command BREAKS them All !  
These patriarchal Serpent Seed leaders made sure to EXCLUDE the ESSENES Gospel whereas the Master Carpenter SPEAKS the Most as a hardcore VEGAN explaining Murder includes all Sentients (Animals).. this being WHY the Jewish Animal herders put Him on the Cross.... They are one & the same as those who Murder 14 Million L:ife Loving Animals TODAY & Everyday and so too those who support this industry.**

**Yeshua said “I am always with you” “Follow Me” and “I came not to bring Peace but a SWORD” Christ Being Vegan, Yess**

**A Vast Majority of Christians & Muslims by their own definition are Vampires aka Satanic.... For to be the Opposite direction instead of following Him makes it so.... Don't you agree??? In other words to pray for Peace while ingesting murdered Animals keeps amusing (barely) the Fallen Angels...(As You do to the Least of Me you do unto yourself)**

**Organized Religious Hierarchies like the 13 Usurist banker families are Top of the food chain Vampires w National Zionists (Na-Zi's) and Jesuits (Jewish mostly) running politicians & their greedy Minion BAR Association LIARS aka lawyers... They relish Adrenochrome on their high holiday w Ritualized murder of children (As you do unto the Least)**

**COME YE out of the WHORE of organized thievery & deceptions... to cease for Peace, to stop the killing simply STOP the Killingg**

**“Can't Serve God & Mammon both” Clint Eastwood in PALERIDER.....( I am Peter )**

**The American PORTS have been SHUT over 8 weeks to Fulfill the Freedom Rose Prophecy, Making the 10 Commandments as ONE ... freeing Leonard Peltier our US Constitution, all children & Animals & Earth**

**Many rightfully refuse Vaccines yet ingest murdered Sentient flesh filled w harmful vaccines from the very same Big PHARMA... that provides SULPHA Drugs w numerous injurious side effects... Sulpha as in SULFUR from Hell.....**
