**RECITALS**

- A. City and Contractor entered into the Agreement for Contractor to provide auto and light truck parts for City vehicles, as previously amended by the First Amendment.
- B. City and Contractor now desire to amend the Agreement for the purpose of extending the agreement for a one year period, and increasing compensation.

**AMENDMENT**

**NOW, THEREFORE**, the parties agree to amend the Agreement as follows:

1. SCOPE OF SERVICES

Exhibit A to the Agreement is replaced by Exhibit A-1 to this Amendment.

2. TERM, SUSPENSION, TERMINATION

Pursuant to Section 6(a) of the Agreement, the parties hereby agree to extend the term of the Agreement for an additional one year.

3. COMPENSATION

Section 4 of the Agreement is amended to increase the compensation payable to Contractor under the Agreement by \$253,009 to read as follows:

"The total of all fees paid to Contractor for the satisfactory performance and completion of all services set forth in the Agreement shall not exceed the total sum of \$651,073.47. The Chief Financial Officer is authorized to pay all proper claims from various department charge numbers."

All other terms of the Agreement shall remain in full force and effect.

Executed as of the day and year first above stated.

### **Specifications and Scope of Work**

***NOTE: Any deviations from the written specifications shown in the Request For Quotes shall be noted in the Exceptions Section of the Requisition (see Required Data Section).***

In order to receive full consideration, bids must fully follow these Specifications and Invitation For Bids General Conditions.

### **BACKGROUND**

The City of Santa Rosa Public Works Department Fleet Maintenance Division Garage is located in the Municipal Services Center North Complex at 55 Stony Point Road, Santa Rosa, CA 95401. The Fleet Maintenance Division maintains the City's fleet of approximately 1,000 vehicles and equipment of many different types including passenger cars, light trucks, medium and heavy duty trucks, fire apparatus, transit buses, construction equipment, sewer maintenance equipment, trailers and turf maintenance equipment. Current staffing at the garage includes the Fleet Superintendent, two Supervisors, two Service Writers, twenty Mechanics and Service Workers and three Parts Room staff including a Stores Specialist and one Stores Clerk. The Garage's parts inventory includes 2200 items valued at approximately \$440,000.

The Garage schedules three shifts beginning at 5:30 am and ending at 12:00 pm, Monday through Friday, and 7:00 am to 5:30 pm on Saturday and Sunday. Hours worked on holidays observed by the City are usually the same as the normal schedule. However, Garage staff is on call 24/7/365 to provide emergency services as required to support City departments that provide public service outside Garage business hours. This may include emergency repair of fire apparatus, transit coaches and construction equipment. Therefore, it is mission critical for Garage staff to have access to parts inventories both during and after normal business hours.

### **SCOPE OF WORK**

The City seeks to establish a two-year term contract with three one-year renewal options for the furnishing of auto and light truck parts for use by the City's Fleet Services Division to maintain and repair City vehicles. The parts provided under this contract will be used to maintain and possibly replace portions of the City's Stores Division inventory of high-usage parts, and for immediate use in the repair and maintenance of vehicles. The City's total estimated annual usage for this contract is \$150,000.

The most desirable award would go to a single contractor; however, the City reserves the right to make a multiple award should it be determined to be in the best interest of the City.

**MINIMUM SPECIFICATIONS**

Bidders shall mark their compliance with the Minimum Specifications (Yes or No) in the spaces below.

Bidder Compliance		1.0 Automotive Parts Specifications	
Yes	No		
<u>✓</u>	_____	1.1 General	The technical specifications are as described in the line item to be bid. For additional information, bidder should contact the suggested manufacturer.
<u>✓</u>	_____	1.2 Parts Quality	The Contractor is required to provide automotive parts that meet or exceed the Original Equipment Manufacturers (OEM) specifications for that part. The automotive parts offered under this solicitation and resulting contract must be from the parts manufacturer's highest quality grade product line supplied to the Contractor. Parts from second tier or lesser graded product lines are not acceptable. The City will be the sole judge as to the quality and acceptability of the automotive parts being bid.
<u>✓</u>	_____	1.3 Warranty	All automotive parts are required to be warranted from defects in materials and workmanship at full replacement value of the part for a minimum period of one-year from the date of installation by the City.
<u>✓</u>	_____	1.4 Labor and Material Costs Associated with Defects	The Contractor shall not be responsible for City labor costs associated with removing and replacing defective parts provided under the contract, unless the failure rate for a particular part exceeds 5% during a contract period, or a part failure causes a related component failure. In the latter two cases, the Contractor shall reimburse the City for actual material and labor expenses incurred.
<u>✓</u>	_____	1.5 Parts Catalogs	The Contractor shall provide current product catalogs, buyers' guides and technical catalogs in printed form or in electronic form available via the Internet for all parts provided under the contract. <b>NOTE:</b> The City prefers these documents in electronic format. Printed catalogs and Internet services shall be provided to the City as they become available, and shall be provided by Contractor at no cost to the City.
<u>✓</u>	_____	1.6 Price Lists	The Contractor shall provide current wholesale net price lists for all parts provided under the contract in printed form or in electronic form available via the Internet. <b>The City shall be charged according to the most current price lists provided by the Contractor, less any offered discounts.</b> Updated price lists shall be provided to the City as they become available, and shall be at no cost to the City.

### Special Provisions

**NON-MANDATORY PRE-BID MEETING:** The City will conduct a one-time only non-mandatory pre-bid meeting on Thursday, January 19, 2017 at 10AM located at the City Purchasing Office, 635 1<sup>st</sup> St., 2<sup>nd</sup> Floor, Santa Rosa, CA 95404. The purpose of this meeting is to give prospective bidders the opportunity to meet with City staff from the Public Works Department Fleet Maintenance Division and Finance Department Purchasing Division to review the Invitation For Bids and clarify their understanding of the City bid and contract requirements, and to familiarize themselves with all conditions that may affect the performance and cost of the contract. NOTE: Failure to become familiarized with all conditions shall not constitute a basis for subsequent contract adjustment.

**QUALIFICATIONS OF CONTRACTOR:** Qualified Contractors shall be commercial wholesale and retail distributors of automotive parts and supplies and are required to have a physical business location within Sonoma County, California. The Contractor shall have been continuously engaged in the business of automotive parts and supply sales for a minimum period of five years. Due to the service requirements stated in **Service Specifications, Section 2**, the City does not intend to award the contract to a bidder that has a physical business address located outside of Sonoma County, California, including online sellers of automotive parts and supplies.

**CONTRACT PERIOD:** The resulting contract shall be in effect from March 1, 2017 or date of award if subsequent thereto through February 28, 2019, with the option to renew the contract for three 1-year extensions, or any combination not exceeding a total of three years upon written consent of the contractual parties.

**ESTIMATED QUANTITIES:** The quantities shown in the schedule are an estimate calculated upon prior purchase records. The quantities shown may be considered minimum; however, the City, based on need, may increase or decrease said quantities.

**NON-CONTRACT PURCHASES:** The City may elect purchase automotive parts and supplies outside of this contract if, in the opinion of the City, this is necessary to meet operation requirements.

**SAMPLE CONTRACT AND INSURANCE REQUIREMENTS:** A Sample of a City contract as would normally be used in this procurement is attached as Attachment E and Attachment One. Contractors are not required to sign said contract at time of bid submittal. A contract in final form will be forwarded to the successful bidder for signature prior to contract award. As part of the bid, a bidder must evaluate the terms and conditions and provide any exceptions. Any exceptions taken to the draft contract must be provided in the Exceptions Section on Attachment D Required Data Forms.

Any deviation from the written specifications shown in the Invitation For Bid shall be noted in the Exceptions Section listed on Attachment D Required Data Forms.
