10B. City government needs to cut waste and do a better job with taxpayer money than they currently do			0.87
10J. The measure locks 20-year old funding priorities in place and should be updated before the measure is placed on the ballot again			0.79
10A. Public employee salaries, benefits and pensions are out of control. We need to contain these costs before we approve more taxes			0.75
10F. With increasing inflation, grocery and gas prices, and the ongoing COVID-19 crisis, now is the wrong time to increase taxes			0.73
10H. The measure provides too much money for police when we should be shifting resources to programs and services that help prevent crime and violence in the first place			0.70
10E. We just voted two years ago to extend our sales tax for the City for 10 years. Now they want to increase and extend it forever. Enough is enough.			0.69
10I. We already have an extra three-quarters of a percent sales tax imposed by the City. Adding another quarter percent would chase businesses out of Santa Rosa			0.62
10D. Increasing the sales tax again will hurt local businesses and drive jobs out of the City			0.62
10C. There will be a County measure for preschool and early childhood development on the same ballot. We can't afford all these taxes			0.57
10G. Voters rejected the SMART Sales Tax and the County Fire Tax. When will they get the message that we can't afford all these new taxes			0.54
