

RAILROAD SQUARE DOWNTOWN SHUTTLE

City Council Meeting
Study Session
May 3, 2016

Anita Winkler
Deputy Director
Transportation and Public Works - Transit

CURRENT

- Staff has developed a proposal for a circulator shuttle linking Railroad Square and the Downtown and to provide a connection between the Downtown SMART Station and a parking garage in the downtown

PROPOSED

- Circulator shuttle linking Railroad Square, including the Santa Rosa Downtown SMART Station, with the Downtown and Courthouse Square
- Operating on a 15 minute frequency
- Limited parking at RRSQ Station; proposing using one of the City's downtown parking garages for SMART parking

RECOMMENDATION

- No action requested
- Questions?
