Attendees were provided opportunities to share suggestions, whether on specific projects or general feedback. Responses included (verbatim):

General comments:

- Public toilets for homeless
- Pay toilets for homeless
- Emergency Preparedness
- Ensure rentals are kept in good order
- Quit spending money on black hole projects. Court house square. Train to no where.
- Better internet
- Traffic infrastructure
- Clean up woods throughout the city
- Stormdrain/flood protection
- Eliminate excessive car parking in front of private home
- City bus esp. evening service

Specific Projects:

- Permanent Library in Roseland
- Hoen PCI too high along H.S.
- Arterials – faded or no striping (Sonoma Ave – Brookwood East Montgomery MV to Mission 4th)
- Downtown maintenance needed now – weeds, replace again street furniture, power wash sidewalks
- Street lights specifically on Occidental Road and Stony Point to Fulton
