11.1 PUBLIC HEARING - STATE LEGISLATION ZONING CODE TEXT AMENDMENT

BACKGROUND: The purpose of the State Legislation Zoning Code text amendment is to ensure the City Code remains in compliance with any State laws which preempt local regulations. In 2023 and 2024, the State of California adopted legislative bills that impact how local governments process housing development projects and regulate shared parking. This text amendment includes modifications to the City's Zoning Code related to Accessory Dwelling Units, Density Bonuses, Shared Parking and eliminates the requirement for rezoning for General Plan consistency for housing projects. This Zoning Code text amendment is exempt from the requirements of the California Environmental Quality Act (CEQA).

PRESENTED BY: Amy Nicholson, Supervising Planner

RECOMMENDATION: It is recommended by the Planning and Economic Development Department that the Planning Commission, by resolution, recommend that the City Council adopt a Zoning Code text

amendment to amend City Code Chapter 20-31(Density Bonus and Other Incentives), Section 20-12.020 (Zoning Code Rules of Interpretation), Section 20-36.050 (Adjustments to Parking Requirements), and Section 20-42.130 (Accessory Dwelling Units) as described in Attachment 1.
