SUBJECT: DONATION FROM ROTARY CLUB OF SANTA ROSA WEST FOR
COFFEY PARK PUBLIC ART

AGENDA ACTION: RESOLUTION

RECOMMENDATION

It is recommended by the Planning and Economic Development Department that the Council, by Resolution, accept a \$10,000 donation from the Rotary Club of Santa Rosa West for the Coffey Park Public Art Project.

EXECUTIVE SUMMARY

The donation from the Rotary Club of Santa Rosa West will be used for the commission, construction and installation of public art at Coffey Neighborhood Park, located at 1524 Amanda Place, Santa Rosa, California.

BACKGROUND

The City of Santa Rosa Public Art Program has been working with the Recreation and Parks Department and the selected design team for the rebuild of Coffey Neighborhood Park to include public art in the Park. The available Public Art Funding for the art project is \$50,000. This donation of \$10,000, paired with the Rotary International District 5130 Sonoma County Fire Relief Fund donation of \$50,000 has allowed for a much more robust project with a total project budget of \$110,000. The selected artists will design, fabricate and install public art in Coffey Neighborhood Park, in conjunction with the redesign/rebuild of the park.
