Dear Ms. Garen,

On behalf of Santa Rosa Boyd Housing Project located at 811 Boyd Street, Santa Rosa, CA I am requesting a TEFRA hearing. Due to COVID-19 related delays, the project was unable to close on the bond financing within one year of City Council approval. Pursuant to tax code Section 147(f) public approval is required within one year of the issuance date; bonds were not issued within one year and a new public hearing is required so that a technical reissuance may take place to adjust the original terms of the bonds. Specifically, to extend the maturity date.

Sincerely,

A handwritten signature in blue ink, appearing to read "Laura Berreth".
