STAFF PRESENTER: JENNIFER PHILLIPS, ASSISTANT CITY MANAGER
CITY MANAGER'S OFFICE
AGENDA ACTION: RESOLUTION

ISSUE

Shall the Council approve the First Amendment to the Professional Services Agreement with Royston Hanamoto Alley & Abey (RHAA), of Mill Valley, California, to extend the time of performance and increase the contract amount by \$319,706 for professional services related to master planning and preparation of documents for Bayer Neighborhood Park and Gardens?

COUNCIL GOALS/STRATEGIES

GOAL 4: Maintain and Enhance our City's Cultural, Historical and Recreational Assets

BACKGROUND

On May 19, 2009, Council approved a Professional Services Agreement with RHAA (Resolution No. 27386) to provide community outreach, park master planning, and design services for Bayer Neighborhood Park and Gardens. The goal was to create a park that suited the needs of the community and community participation was integral to the planning from the onset.

To date, nearly \$13 million in funding has been secured for acquisition, outreach, planning, design and construction.

ANALYSIS

The original proposal was based on an assumed \$1 million construction estimate for modifying an existing building, along with various community outreach meetings and construction maintenance. The scope of the project has changed to allow for completion of the construction drawings, updated cost estimation, architectural and landscape design services, engineering, construction support and community outreach as set forth in Attachment 1.

The City and Contractor wish to extend the time of performance in the Original Agreement. The Contractor shall complete all the required services and tasks to the reasonable satisfaction of the City, not later than December 31, 2015.

The compensation under the Original Agreement shall be amended to provide additional compensation for additional services in the amount of Three Hundred Nineteen Thousand, Seven Hundred Six Dollars (\$319,706), which includes a 10% contingency.

RECOMMENDATION

It is recommended by the Department of Recreation and Parks and the City Manager's Office that the Council, by resolution, approve the First Amendment to the Professional Services Agreement with Royston Hanamoto Alley & Abey in the amount of \$319,706 for professional services related to master planning and preparation of documents for Bayer Neighborhood Park & Gardens for a total contract amount of \$1,352,403.60. The additional compensation is fully funded through the grant process and no General Fund monies are being used.
