Subject: [EXTERNAL] RE PLA VOTE
Date: Monday, July 11, 2022 12:15:10 PM

Honorable Santa Rosa City Council: It has come to our attention you are considering PLA inclusion in your contracts. This is a slippery slope which you should not fall for. 75% of contractors in the area are "open shop" and are then excluded from bidding on your projects. Please vote "No" on this onerous proposal.
