24.1 Background: Employees hired prior to January 1, 2010 had one of two options for remuneration of accumulated but unused sick leave as follows:

24.1.1 Option One: In July of each year the CITY shall reimburse the employee for twenty five percent (25%) of the immediate past fiscal year's earned but unused sick leave hours. Under this option, upon retirement all unused sick leave is converted to service credit; or

24.1.2 Option Two: All sick leave accumulates and upon retirement and completion of ten (10) years of employment with the CITY, the employee may receive payment for one-half (1/2) of any accumulated but unused sick leave up to a maximum of six hundred (600) hours and receive service credit for the remainder OR may choose to convert the entire balance of their sick leave to service credit.

Under either option, the value of unused sick leave is calculated at the regular rate of pay at the date of the buyback.

24.1.3 In November 2009 ASSOCIATION employees in Option Two made an irrevocable choice of remaining in Option Two or changing to Option One.

24.2 Implementation: Effective January 1, 2010 all new employees and all current employees who had previously chosen Option One shall be remunerated for all accumulated but unused sick leave as set forth below:

24.2.1 In July of each year the CITY shall deposit the financial equivalent of twenty five percent (25%) of the employee's immediate past fiscal year's earned but unused sick leave hours into the individual Retiree Health Savings Plan account for said employee.

24.2.2 The financial equivalent of sick leave shall be calculated using the regular hourly rate of pay at the date of the buyback.

24.2.3 The remainder of the sick leave shall be accumulated and accounted for in the employee's sick leave balance.

24.2.4. Employees leaving CITY service prior to the end of the fiscal year shall have a deposit made to their Retiree Health Savings Plan account based on twenty-five percent (25%) of the total earned but unused sick leave for that fiscal year.

24.2.5 Upon retirement from the CITY, the remaining balance of their sick leave, if any, will be converted to service credit according to PERS contract.

24.3 Effective January 1, 2010 all employees who remained in Option Two shall be remunerated as described in Article 24.1.2

24.4 Employees entering this unit from another unit, must switch to Option One. Employees switching to Option One shall have their total accrued sick leave as of the date of their entry into the unit remain in an Option Two bank which will be paid out upon retirement as described in Article 24.1.2. This amount shall be reduced by use of sick leave beyond that accumulated in the new Option One bank. Upon retirement, all sick leave not paid out shall be converted to service credit according to PERS contract.

ARTICLE 25 **SICK LEAVE DEATH BENEFIT**

ARTICLE 26 **CATASTROPHIC LEAVE**

26.1 Catastrophic leave is a paid leave of absence due to life-threatening verifiable long-term illness or injury such as, but not limited to, cancer and heart attack which clearly disables the individual, as provided in the CITY's Catastrophic Leave Policy . <http://cityweb.srcity.org/EmployeeServices/Pages/CitywidePoliciesProcedures.aspx>

26.2 All regular employees of the CITY of Santa Rosa who have completed one (1) year in paid status shall be eligible for catastrophic leave due to their own catastrophic illness or injury or catastrophic illness or injury to spouse, qualified domestic partner, parent, child or child of employee's qualified domestic partner.

26.3 The employee must first exhaust all accrued sick leave, vacation leave, 20 hour benefit portion of administrative leave, and compensatory time, if applicable, before qualifying for catastrophic leave. Once all accrued benefits have been exhausted and catastrophic leave has been granted, the employee shall not accrue any vacation or sick leave while using donated hours. If an employee returns to work on a part-time basis during their catastrophic leave, the employee shall accrue vacation and sick leave. Any such accruals will be banked. No new accruals, if any, may be used until all catastrophic leave credit has been exhausted.

26.4 Catastrophic leave shall be additional paid leave available from vacation, compensatory leave, administrative leave hours, floating holidays, or up to twenty-four (24) hours of sick leave in a fiscal year, donated by other CITY employees to a specific qualified employee.

26.5 Employees donating vacation, compensatory or administrative leave must donate in increments of whole hours. The donating employee must have a vacation leave balance of at least forty (40) hours after the donation of vacation time, and a sick leave balance of eighty (80) hours after the donation of sick leave. Employees may donate all of their accrued compensatory time, administrative leave, or floating holiday time.

26.6 An employee requesting catastrophic leave must receive the recommendation of his or her Department Head and the approval of the City Manager or his/her designated committee. Such leave may initially be approved up to a maximum of three hundred forty (340) donated hours. If the catastrophic illness or injury continues, up to an additional 340 donated hours may be recommended for approval. The maximum donation for part-time employees shall be the FTE percent.

26.7 If leave is granted, the CITY shall require the employee to provide medical information indicating the nature of the illness or injury, the prognosis and estimated date of return. In addition, the CITY shall require, prior to the employee's return to work, written approval from his or her doctor to resume job duties. If the Department Head determines that documentation of illness or injury and ability to return to work is unnecessary, the requirement to provide medical information and doctor's release may be waived.

26.8 Catastrophic leave may not be used to extend a date of retirement. Various Government Code sections stipulate the circumstances to initiate disability retirements. The CITY will comply with these provisions and other applicable Government Code and PERS regulations.

26.9 Catastrophic leave shall not be used in conjunction with any long or short-term disability benefits or Workers' Compensation leave.

26.10 The Finance Department shall account for the donation and disbursement of catastrophic leave hours. All time donated will be credited on an hour for hour basis regardless of hourly pay differentials between donating employee and recipient.

26.11 A catastrophic leave committee shall be appointed by the City Manager to administer the program.

ARTICLE 27 **INDUSTRIAL INJURY OR ILLNESS LEAVE**

Workers' Compensation Plan

27.2 CITY Supplemental Workers' Compensation Plan

This plan supplements the State plan and provides:

27.2.1 The employee shall receive supplemental wages to ensure the pay is equivalent to take-home pay prior to the injury from the CITY during the time the employee has sufficient paid sick leave to supplement "temporary disability payments" as defined by law.

27.2.2 While on the supplemental plan, the employee's paid sick leave will be-charged at the rate of one half (1/2) for each day of absence for an employee making over \$30.00 per hour and one fourth (1/4) for each day of absence for an employee earning \$30.00 per hour or less.

27.2.3 Payments shall be based on a seven (7) day week in accordance with state law.

27.2.4 The employee will be paid and shall not be charged sick leave on the day of injury or for the subsequent three (3) days.

27.2.5 As required by CalPERS, the temporary disability portion and the supplemental portion of the payment shall not be "reportable" as income to PERS and not subject to PERS deductions. Any portion that is paid from the employee's sick leave is reportable income to PERS.

27.2.6 As required by state and federal regulations, the temporary disability portions of the payment are not taxable income.

27.2.7 During this time, vacation and sick leave shall accrue as if the employee were on full salary, and, upon notification to the employee, the employee's qualified time off shall concurrently count toward Family and Medical Leave (FMLA) and California Family Rights Act (CFRA) and all benefits shall be paid in the same manner as before the injury.

27.2.8 Once sick leave is exhausted, compensation shall be made in accordance with the State Workers' Compensation Plan.

27.3 State Workers' Compensation Plan

Employees who have no accumulated sick leave remaining or choose not to supplement their temporary disability shall use the State Workers' Compensation Plan.
