14.3 REPORT - FIRST AMENDMENT TO PROFESSIONAL SERVICES AGREEMENT NO. F001622 WITH BUREAU VERITAS NORTH AMERICA FOR POST FIRE RECOVERY AND REBUILDING SERVICES; FISCAL YEAR 2018-19 BUDGET AMENDMENT(Continued from February 26, 2019 Regular Meeting)

BACKGROUND: Over the past year, staff from the City of Santa Rosa and Bureau Veritas North America, Inc. have provided a variety of permit processing, plan check and inspection services for the repair and reconstruction activities associated with the Tubbs Fire. Over 1,500 permits were processed in 2018, resulting in approximately 16,000 inspections. Additionally, the Department continues to see a high volume of permit activity outside of the fire damaged areas. City staff time has been partially redirected from current development projects to support the rebuild efforts, resulting in an increased need for professional services to augment staffing support for the review and processing of new housing and commercial projects.

Revenue received from permit fees paid related to services provided by Planning & Economic Development for all development and rebuilding projects are considerably more than budgeted estimates for FY 18-19. City staff is proposing to appropriate these funds to pay for one-time, professional services needs relative to Planning, Engineering, and Building to meet commitments associated with plan review and inspection turnaround times for all development and rebuild efforts.

RECOMMENDATION: It is recommended by the Planning and Economic Development and Finance Departments that the Council, by Resolution: 1) approve the First Amendment to Professional Services Agreement No. F001622 with Bureau Veritas North America, Inc., increasing compensation by \$377,052 for a total amount not to exceed \$9,263,312; and, 2) amend the Fiscal Year (FY) 2018-19 adopted budget to increase appropriations for plan check and inspection professional services in the amount of \$4,357,322, which will be offset by an

increase in associated fee revenue.
