The number of hours that the bargaining unit member will sell

back must be indicated at that time. Failure to submit an irrevocable election form shall be the same as electing not to sell back vacation leave.

20.1.2.1 The sell back must be made by the first paycheck in December of the following year. A bargaining unit member who has elected to sell back vacation but has not done so by the first paycheck in December, will be automatically cashed out for the number of hours elected (subject to the limits of Article 20.1.1) on the second paycheck in December

ARTICLE 21 SICK LEAVE

21.1 Each employee shall earn and may accumulate sick leave as follows:

No punitive actions shall be imposed on employees for taking justifiable sick leave.

21.5 Employees may use sick leave when they are unable to work because of disability due to a non-industrial sickness or injury.

21.6 No sick leave shall be payable for any sickness, disability or injury which results or occurs as follows:

1. Participating in a criminal act.
2. Working for an employer other than the CITY.
3. During vacation unless the employee was confined to a hospital or other fixed location under written doctor's orders.
4. During a layoff, leave of absence or disciplinary suspension; and/or
5. After a termination date.

21.7 On taking sick leave time, employees shall notify their appropriate department either prior to or within one (1) hour after the time set for beginning daily duties or by another time specified by the CITY.

21.8 The CITY shall revoke pay, sick leave time and take appropriate disciplinary action if the employee is not using sick leave as authorized or has engaged in private or other public work while on sick leave.

21.9 The CITY may require an employee to provide a medical provider's statement verifying the employee's ability to return to work and any work restrictions prior to permitting the employee to return to work following the use of any sick leave in accordance with the CITY's Personnel Rules and Regulations.

21.10 If an employee has not recovered by the time he/she has exhausted accumulated sick leave, a leave of absence, without pay, may be requested in writing according to CITY Policy.

21.11 Sick leave shall continue to be earned while an employee is on vacation or sick leave.

21.12 Sick leave shall not be used to extend a date of retirement; however, a miscellaneous employee, upon retirement, may convert his/her unused sick leave balance to service credit as provided by Government Code Section 20965.

ARTICLE 22 SICK LEAVE – INITIAL PROBATIONARY PERIOD

The City Manager's Office or designee may allow a probationary employee up to forty-eight (48) hours or the FTE percent for regular part-time employee's sick leave with pay before it has been earned. An employee must exhaust all existing leave balances prior to receiving the sick leave advance. This article does not apply to promotional, extended or disciplinary probationary periods.

ARTICLE 23 SICK LEAVE – FAMILY ILLNESSES

Employees may use hours of accumulated sick leave during the fiscal year for the illness or medical treatment of an immediate family member. For the purposes of this section, "immediate family member" is defined as an employee's child (including an employee's biological, adopted, or foster child, stepchild, legal ward, or child to whom the employee stands *in loco parentis*), parent (including an employee's biological, adoptive, or foster parent, step parent, or legal guardian, or a person who stood *in loco parentis* when

the employee was a minor child), spouse, domestic partner, the parent(s) of an employee's spouse or domestic partner, grandparent, grandchild or sibling. With prior approval of the City Manager or designee, employees may use hours of accumulated sick leave to care for other members of the household or family. The CITY may require an employee to provide a medical professional's statement which outlines the severity of the illness and expected duration of treatment.

ARTICLE 24 SICK LEAVE – RETIREMENT BUYBACK

24.1 Background: Employees hired prior to January 1, 2010 had one of two options for remuneration of accumulated but unused sick leave as follows:

24.1.1 Option One: In July of each year the CITY shall reimburse the employee for twenty five percent (25%) of the immediate past fiscal year's earned but unused sick leave hours. Under this option, upon retirement all unused sick leave is converted to service credit; or

24.1.2 Option Two: All sick leave accumulates and upon retirement and completion of ten (10) years of employment with the CITY, the employee may receive payment for one-half (1/2) of any accumulated but unused sick leave up to a maximum of six hundred (600) hours and receive service credit for the remainder OR may choose to convert the entire balance of their sick leave to service credit.

Under either option, the value of unused sick leave is calculated at the regular rate of pay at the date of the buyback.

24.1.3 In November 2009 ASSOCIATION employees in Option Two made an irrevocable choice of remaining in Option Two or changing to Option One.

24.2 Implementation: Effective January 1, 2010, all new employees and all current employees who had previously chosen Option One shall be remunerated for all accumulated but unused sick leave as set forth below:

24.2.1 In July of each year the CITY shall deposit the financial equivalent of twenty five percent (25%) of the employee's immediate past fiscal year's earned but unused sick leave hours into the individual Retiree Health Savings Plan account for said employee.

24.2.2 The financial equivalent of sick leave shall be calculated using the regular hourly rate of pay at the date of the buyback.

24.2.3 The remainder of the sick leave shall be accumulated and accounted for in the employee's sick leave balance.

24.2.4. Employees leaving CITY service prior to the end of the fiscal year shall have a deposit made to their Retiree Health Savings Plan account based on twenty-five percent (25%) of the total earned but unused sick leave for that fiscal year.

24.2.5 Upon retirement from the CITY, the remaining balance of their sick leave, if any, will be converted to service credit according to PERS contract.

24.3 Effective January 1, 2010 all employees who remained in Option Two shall be remunerated as described in Article 24.1.2

24.4 Employees entering this unit from another unit, must switch to Option One. Employees switching to Option One shall have their total accrued sick leave as of the date of their entry into the unit remain in an Option Two bank which will be paid out upon retirement as described in Article 24.1.2. This amount shall be reduced by use of sick leave beyond that accumulated in the new Option One bank. Upon retirement, all sick leave not paid out shall be converted to service credit according to PERS contract.

ARTICLE 25 SICK LEAVE DEATH BENEFIT

If an employee dies, then all of the employee's accumulated sick leave shall be paid at the regular hourly rate of pay at the time of the employee's death. Such payment shall be made to the person named by the employee as beneficiary in the employee's CITY provided life insurance policy.

ARTICLE 26 CATASTROPHIC LEAVE

26.1 Catastrophic leave is a paid leave of absence due to life-threatening verifiable long-term illness or injury such as, but not limited to, cancer or heart attack which clearly disables the individual, as provided in the CITY's Catastrophic Leave Policy .
https://inet.srcity.org/policy/_layouts/15/WopiFrame.aspx?sourcedoc=/policy/master_library/Catastrophic%20Leave.docx&action=default

26.2 All regular employees of the CITY of Santa Rosa who have completed one (1) year in paid status shall be eligible for catastrophic leave due to their own catastrophic illness or injury or catastrophic illness or injury to spouse, qualified domestic partner, parent, child or child of employee's qualified domestic partner.

26.3 The employee must first exhaust all accrued sick leave, vacation leave, 20 hour benefit portion of administrative leave, and compensatory time, if applicable, before qualifying for catastrophic leave. Once all accrued benefits have been exhausted and catastrophic leave has been granted, the employee shall not accrue any vacation or sick leave while using donated hours. If an employee returns to work on a part-time basis during their catastrophic leave, the employee shall accrue vacation and sick leave. Any such accruals will be banked. No new accruals, if any, may be used until all catastrophic leave credit has been exhausted.

26.4 Catastrophic leave shall be additional paid leave available from vacation, compensatory leave, administrative leave hours, floating holidays, or up to twenty-four (24) hours of sick leave in a fiscal year, donated by other CITY employees to a specific qualified employee.

26.5 Employees donating vacation, compensatory or administrative leave must donate in increments of whole hours. The donating employee must have a vacation leave balance of at least forty (40) hours after the donation of vacation leave, and a sick leave balance of eighty (80) hours after the donation of sick leave. Employees may donate all of their accrued compensatory time, administrative leave, or floating holiday time.

26.6 An employee requesting catastrophic leave must receive the recommendation of his or her Department Head and the approval of the City Manager or his/her designated committee. Such leave may initially be approved up to a maximum of three hundred forty (340) donated hours. If the catastrophic illness or injury continues, up to an additional three hundred forty (340) donated hours may be recommended for approval. The maximum donation for part-time employees shall be the FTE percent.

26.7 If leave is granted, the CITY shall require the employee to provide medical information indicating the nature of the illness or injury, the prognosis and estimated date of return. In addition, the CITY shall require, prior to the employee's return to work, written approval from his or her doctor to resume job duties. If the Department Head determines that documentation of illness or injury and ability to return to work is unnecessary, the requirement to provide medical information and doctor's release may be waived.

26.8 Catastrophic leave may not be used to extend a date of retirement. Various Government Code sections stipulate the circumstances to initiate disability retirements.

EXHIBIT B

Classification and Compensation Survey:

During the term of the contract, the City shall perform a classification and compensation survey of the Unit 18 benchmarked classifications, comparing the classifications to appropriate comparator jurisdictions. The City and Union agree to meet and confer on the survey methodology prior to conducting the survey and will formulate a selection committee, comprised of both Union membership and City management to evaluate proposals and select a classification and compensation consultant. The City and Union will work together collaboratively and review the consultant's recommendations related to the selection of comparator agencies, the compensation philosophy and the data points which make up the classification and compensation, total compensation survey data.

The survey shall be completed and delivered to the Union prior to the expiration of the contract on June 30, 2024 and will formulate the discussion related to compensation in the next round of labor negotiations.

Recruitment and Retention Issues During the Term of the Contract:

In the event that the Union believes a recruitment and/or retention issue exists, the Union has the right to request a meeting with Human Resources to discuss these concerns. This meeting will commence within 14 days of the request unless otherwise agreed. At this meeting, the Union must present data to support that recruitment and/or retention issues exist (such as illustrated by multiple failed recruitments, declined job offers by qualified candidates, a lack of qualified candidates in the recruitment pool). Human Resources, in collaboration with the Union will consider the information presented by the Union and will evaluate other relevant labor market data before issuing its findings. If the compensation review results in a consensus that an equity adjustment is warranted, the findings shall be submitted to the City Manager, who will accept the findings as submitted. The City Manager will determine if financial resources are available to provide the adjustment prior to the recommendation being forwarded to the City Council for approval. If it is determined that financial resources are not available; the adjustment shall be reviewed during the annual budget process.
