affordability  
challenges**

## **BAHFA's Mission**

To address systemic challenges in housing affordability and housing stability across the 3Ps

- 1. Production** of new affordable housing
- 2. Preservation** of existing affordable housing
- 3. Protections** for low-income residents and people at risk of homelessness

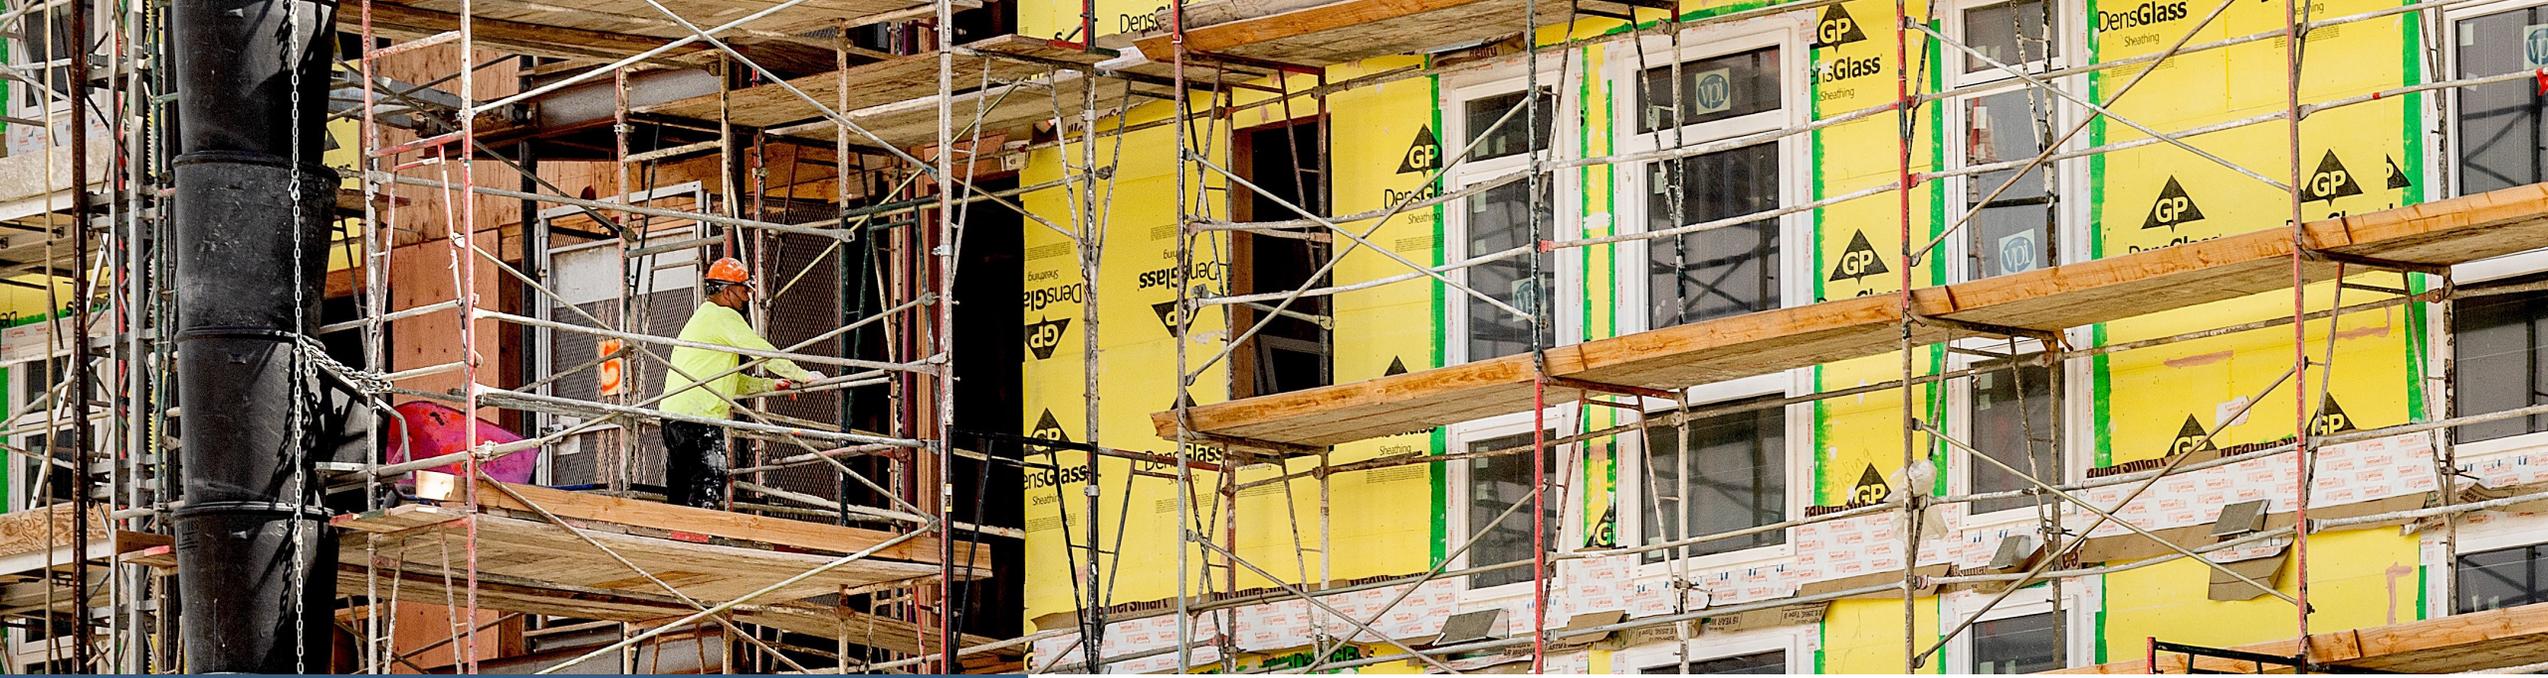

# How BAHFA Works

- **BAHFA is the first regional housing finance agency in California**, created by the State Legislature in 2019 to offer new tools and innovative solutions to the Bay Area's housing challenges
- **Core power is to raise new revenue for housing**, subject to voter approval
- **Collaborates** with cities and counties, **improves systems** and **funds housing** across the whole Bay Area
- Currently conducting **pilot programs** to advance affordable housing goals across the 3Ps

# BAHFA's Pilot Programs

1. **Doorway:** Online portal to find and apply for available affordable housing. Launched summer 2023.
2. **Affordable Housing Pipeline:** Completed database tracking 33,000 homes in predevelopment and in need of funding.
3. **Tax Exemption Preservation Program:** Preserved affordability for 325 households in five buildings. Ongoing program.
4. **Preservation Pilot:** An upcoming \$15 million program to acquire and preserve affordability of apartments occupied by lower-income residents.
5. **Priority Sites Development:** Crafted a \$28 million program that will catalyze affordable homes near transit on public land or repurposed malls/office parks.
6. **Rental Assistance to Prevent Homelessness:** An upcoming \$5 million program for extremely rent-burdened seniors, people with disabilities, and other at-risk tenants.

# Proposed 2024 Regional Housing Bond

- \$10-20 billion to invest in affordable housing
- Requires voter approval
- Funds disbursed over 10+ years
- Eligible uses set forth in statute and state constitution

# Related 2024 Measure

**Assembly Constitutional Amendment 1** (Aguiar-Curry) will place a measure on the November 2024 ballot that would:

1

**Amend the statewide constitution to lower the voter approval threshold** for affordable housing general obligation bonds (among other items) from 66.7% to 55%.

2

**Apply to the Bay Area Regional Housing Bond** on the same November 2024 ballot.
