PETITION TO PREVENT BUS STOP ELIMINATION

We, the Residents of the Santa Rosa Village Manufactured Home Park, located at 4001 Sonoma Highway, Santa Rosa, California 95409, oppose the elimination of the CityBus Stop in front of our Park. This manufactured home park is a Senior community with many over 170 elderly and disabled residents. The City of Santa Rosa's proposal to eliminate this CityBus Stop and reroute it to the nearest CityBus line at Mission Boulevard (approx. 1/2 mile away), will cause great harm to our Residents who are unable to walk that distance. We respectfully request reconsideration to leave our CityBus Stop in its current location.
