****16.2 PUBLIC HEARING (APPEAL) - CARPENTER URBAN COTTAGES (DAVID CARPENTER) APPEAL OF THE CULTURAL HERITAGE BOARD DECISION TO DENY THE LANDMARK ALTERATION PERMIT FOR TWO PAIRS OF SINGLE-FAMILY ATTACHED UNITS PROPOSED AT 25 RAE STREET AND 715 TUPPER STREET,**

SANTA ROSA, CA 95404; ASSESSOR'S PARCEL NUMBERS
009-201-004 AND 009-201-009; FILE NO. LMA15-013

BACKGROUND: On September 4, 2019, the Cultural Heritage Board effectively denied a Landmark Alteration Permit (LMA) for the proposed Carpenter Urban Cottages project by voting 2 ayes, 2 noes on a motion to approve the construction of four attached residential cottages over two lots at 715 Tupper Street and 25 Rae Street. On September 16, 2019, the applicant, David Carpenter, filed an appeal of the Cultural Heritage Board's denial of the Project. The grounds for the appeal include that the application meets or exceeds all requirements for approval and staff recommended its approval, that the project is consistent with the General Plan and Zoning Ordinance, that the project meets all height requirements and the project incorporated input from a previous Cultural Heritage Board meeting reviewing a conceptual design.

RECOMMENDATION: It is recommended by the Cultural Heritage Board that the Council, by resolution, deny the appeal and uphold the Board's decision to deny the Landmark Alteration Permit for the Carpenter Urban Cottages project, located at 715 Tupper Street and 25 Rae Street.

16.3 PUBLIC HEARING - STREETLIGHT POLE BANNER POLICY (This item is being continued to the March 17, 2020, Regular Meeting.)

15.3 REPORT - ACCESSORY DWELLING UNIT URGENCY ORDINANCE

BACKGROUND: The proposed City Code text amendment is proposed by way of urgency ordinance, amending Title 18 of the Santa Rosa City Code - modifying Section 18-12.015, and amending Title 20 of the Santa Rosa City Code - modifying Sections 20-30.040, 20-32.050, 20-42.130 and 20-70.020 to allow Accessory Dwelling Units and Junior Accessory Dwelling Units in compliance with State law and in support of the City's Housing Action Plan, while preserving the visual character of the City.

In 2019, five bills governing Accessory Dwelling Units were signed by the Governor of California. These State bills limit local control of Accessory Dwelling Units (ADUs) and create further opportunities for the development of Junior ADUs (JADUs), necessitating revisions to the

City of Santa Rosa Zoning Code for consistency.

Housing remains a Tier One Council priority. The voluntary non-State mandated modifications in the proposed Ordinance reduce obstacles to ADU construction and include protections for the City's hillside areas and neighborhoods, including Preservation Districts.

RECOMMENDATION: It is recommended by the Planning and Economic Development Department that the Council, by motion, adopt an urgency ordinance amending City Code Sections 18-12.015, 20-30.040, 20-32.050, 20-42.130 and 20-70.020 to allow Accessory Dwelling Units and Junior Accessory Dwelling Units in compliance with State law and in support of the City's Housing Action Plan, while preserving the visual character of the City.
