Re: AB 436 (Jones-Sawyer) - Inverse Condemnation - **SUPPORT**

Dear Assembly Member Jones-Sawyer,

This letter is to express the support of the City of Santa Rosa your bill AB 436 relating to inverse condemnation: comparative fault.

We agree that the bill takes a common sense approach to the instance where a plaintiff's negligence is a contributing factor in the damage.

Thank you for introducing AB 436. Again the City of Santa Rosa stands in support.

Sincerely,

SCOTT P. BARTLEY
MAYOR
