ANALYSIS

On September 8, 2018, the City will celebrate it's 150th anniversary, with a day long festival in Courthouse Square.

There is a small balance of \$3050 in the Community Promotions Fund which the committee is recommending be used for in-kind services during the event.

RECOMMENDATION

It is recommended by the Community Promotions Fund Committee and City Manager's Office that the Council, by motion, direct the balance of funds from the FY 2018/19 Community Promotion Funds, an amount not to exceed \$3050, to use for in-kind services for the Sesquicentennial Celebration.
