

CUSTODIAN AGREEMENT

This CUSTODIAN AGREEMENT (this "Agreement"), dated as of December 1, 2013, is among COMPASS BANK, an Alabama banking corporation, and its successors and assigns (the "Assignee"), PUBLIC PROPERTY FINANCING CORPORATION OF CALIFORNIA, a nonprofit public benefit corporation organized and existing under the laws of the State of California (the "Corporation"), THE CITY OF SANTA ROSA, a charter city and municipal corporation duly organized and existing under the laws of the State of California (the "City"), and U.S. BANK NATIONAL ASSOCIATION, a national banking association, duly organized and existing under the laws of the United States of America (the "Custodian").

Reference is made to that certain Lease Agreement (Fire Station Project) dated as of December 1, 2013, between the Corporation and the City (the "Lease"), relating to the financing of a fire station to be located at the southeast corner of Newgate and Fountaingrove Parkway in the City (the "Project"). Reference is further made to that certain Assignment Agreement dated as of December 1, 2013, between the Corporation and the Assignee, under which the Corporation has assigned its rights under, among other things, the Site Lease, the Lease, this Custodian Agreement and the funds and accounts established hereunder, to the Assignee, including the right to receive lease payments payable by the City under the Lease. It is a requirement of the Lease that the funds for the acquisition and construction of the Project be deposited with the Custodian hereunder for the purpose of providing a mechanism for the application of such amounts to the payment of Acquisition and Construction Costs. Capitalized terms used in this Agreement and not otherwise defined will have the respective meanings given such terms in the Lease.

The parties agree as follows:

1. Creation of Project Fund; Costs of Issuance Account. (a) There is hereby created a special trust fund to be known as the "City of Santa Rosa Fire Station Project Fund" (the "Project Fund"), and within said Fund, the Costs of Issuance Account, which is to be held in trust by the Custodian for the purposes stated herein, for the benefit of the Assignee and the City, to be held, disbursed and returned in accordance with the terms hereof.

On the date hereof, from proceeds of the assignment of the Lease Payments pursuant to the Assignment Agreement, the Bank has deposited the amount of \$_____ with the Custodian for deposit into the Project Fund, and \$_____ to be deposited in the Costs of Issuance Account.

(b) The Custodian will invest and reinvest moneys on deposit in the Project Fund therein in Qualified Investments (as defined herein) in accordance with written instructions received from the City. The City will be solely responsible for ascertaining that all proposed investments and reinvestments are Qualified Investments and that they comply with federal, state and local laws, regulations and ordinances governing

investment of such funds and for providing appropriate notice to the Custodian for the reinvestment of any maturing investment. Accordingly, none of the Custodian, the Corporation or the Assignee has any responsibility for any liability, cost, expense, loss or claim of any kind, directly or indirectly arising out of or related to the investment or reinvestment of all or any portion of the moneys on deposit in the Project Fund, and the City agrees to and does hereby release the Custodian, the Corporation and the Assignee from any such liability, cost, expenses, loss or claim. Interest on the Project Fund will become part of the Project Fund, and gains and losses on the investment of the moneys will be borne by the Project Fund. For purposes of this Agreement, the term "Qualified Investments" means any investments that meet the requirements of Sections 53601 and 53635 of the California Government Code.

(c) The City covenants that all investments of amounts deposited in the Project Fund or other fund containing gross proceeds of the Lease will be acquired, disposed of, and valued at the fair market value thereof. Investments in funds or accounts (or portions thereof) that are subject to a yield restriction under applicable provisions of the Internal Revenue Code of 1986, as amended (the "Tax Code") will be valued at their present value. Terms used in this subsection (c) have the meanings given them in the applicable provisions of the Tax Code. The Custodian shall be under no duty or liability with respect to monitoring compliance with this Section 1(c).

(d) Amounts in the Project Fund will be disbursed by the Custodian in payment of amounts described in Section 2 upon receipt of written authorization(s) from the City, as more fully described in Section 2. If the amounts in the Project Fund are insufficient to pay such amounts, the City will provide any balance of the funds needed to complete the acquisition, equipping and construction of the Project.

(e) The Project Fund will be closed upon receipt by the Custodian of a Certificate of Completion from the City. However, the Project Fund will be closed at any time upon written notice given by the Assignee of the occurrence of a default under or termination of the Lease, and no further disbursements of amounts in the Project Fund shall occur after the receipt of such a notice.

(f) The Custodian may act in reliance upon any writing or instrument or signature which it, in good faith, reasonably believes to be genuine and may assume the validity and accuracy of any statement or assertion contained in such a writing or instrument. The Custodian is not liable in any manner for the sufficiency or correctness as to form, manner of execution, or validity of any instrument nor as to the identity, authority, or right of any person executing the same; and its duties hereunder will be limited to the receipt of such moneys, instruments or other documents received by it as the Custodian, and for the disposition of the same in accordance herewith.

(g) Unless the Custodian is guilty of gross negligence or willful misconduct with regard to its duties hereunder, the City agrees to and does hereby release and indemnify the Custodian and hold it harmless from any and all claims, liabilities, losses, actions, suits or proceedings at law or in equity, or any other expense, fees or charges of any character or nature, which it may incur or with which it may be threatened by

reason of its acting as the Custodian under this Agreement; and in connection therewith, does to the extent permitted by law indemnify the Custodian against any and all expenses; including reasonable attorneys' fees and the cost of defending any action, suit or proceeding or resisting any claim.

(h) The Custodian may consult with counsel of its own choice and will have full and complete authorization and protection with the opinion of such counsel. The Custodian will otherwise not be liable for any mistakes of fact or errors of judgment, or for any acts or omissions of any kind unless caused by its negligence or willful misconduct.

(i) The City shall reimburse the Custodian for all reasonable costs and expenses, including those of the Custodian's attorneys, agents and employees incurred for extra-ordinary administration of the Project Fund and the performance of the Custodian's powers and duties hereunder in connection with any Event of Default under the Lease, or in connection with any dispute between the Assignee and City concerning the Project Fund.

(j) The Custodian or any successor may at any time resign by giving mailed notice to the City and the Assignee of its intention to resign and of the proposed date of resignation, which shall be a date not less than 30 days after such notice is deposited in the United States mail with postage fully prepaid, unless an earlier resignation date and the appointment of a successor shall have been or are approved by City and Assignee. Upon delivery of such notice, the Custodian shall be under no further obligation except to hold the Project Fund in accordance with the terms of this Agreement, pending receipt of written instructions from Assignee regarding further disposition of the Project Fund. Except as otherwise specifically provided herein, the Custodian may not delegate, transfer or assign any of the rights, duties, powers or remedies granted to the Custodian hereunder without the prior written consent of City and Assignee.

(k) The Custodian shall have no responsibilities, obligations or duties other than those expressly set forth in this Agreement and no fiduciary or implied duties responsibilities or obligations shall be read into this Agreement.

2. Acquisition, Equipping and Construction of the Project.

(a) Construction Contracts. The City will arrange for, supervise and provide for, or cause to be supervised and provided for, the acquisition, equipping and construction of the Project, with moneys available in the Project Fund in accordance with the Lease. The City represents its expectation that the estimated costs of the Project will be provided for with funds deposited in the Project Fund, together with other funds available to the City, and the Corporation and the Assignee make no warranty or representation with respect thereto. The Corporation and the Assignee have no liability under any of the acquisition or construction contracts. The City will obtain, or cause to be obtained, all necessary permits and approvals, if any, for the acquisition, equipping and construction of the Project, and the operation and maintenance thereof.

(b) Authorized Project Fund Disbursements. Disbursements from the Project Fund will be made for the purpose of paying (including the reimbursement to the City for advances from its own funds to accomplish the purposes hereinafter described) the cost of acquiring and equipping the Project.

(c) Requisition Procedure. Prior to disbursement from the Project Fund there will be filed with the Custodian a requisition for such payment in the form of Disbursement Request attached hereto as Schedule 1. Each such requisition will be signed by the City Manager or the Chief Financial Officer, or other authorized representative of the City (each, an "Authorized Representative").

3. Payment of Costs of Issuance. The Custodian shall keep the Costs of Issuance Account separate and apart from all other funds and moneys held by it, and shall administer such account as provided herein. There shall be deposited in the Costs of Issuance Account from the proceeds of the sale of the Lease Payments the amount required to be deposited therein pursuant to Section 1 hereof.

Amounts in the Costs of Issuance Account shall be disbursed by the Custodian to pay Costs of Issuance as defined in the Lease only upon a receipt of an executed Disbursement Request substantially in the form attached hereto as Schedule 2.

Upon payment of all Costs of Issuance, which shall be determined by a Certificate of the Authorized Representative to the effect, and in any event not later than three (3) months after December __, 2013, the Custodian shall close the Costs of Issuance Account and transfer any funds remaining therein to the accounts of the Project Fund as directed by the City.

4. Deposit to Project Fund. On the Closing Date, the Corporation will cause the proceeds of the Assignment to be deposited in the Project Fund. The City agrees to pay any costs with respect to the Project in excess of amounts available therefor in the Project Fund.

5. Excess Project Funds. Following the closing of the Project Fund as provided in the first sentence of Section 1(e) hereof, the Custodian will transfer any remainder from the Project Fund to the City to be used to pay the next Lease Payment (or portion thereof) coming due. Following the closing of the Project Fund as provided in the second sentence of Section 1(e) hereof, the Custodian will transfer any remainder from the Project Fund to the Assignee.

6. Security Interest. The Custodian and the City acknowledge and agree that the Project Fund and all proceeds thereof are being held by the Custodian for disbursement or return as set forth herein. The City hereby grants to the Assignee a first priority perfected security interest in the Project Fund, and all proceeds thereof, and all investments made with any amounts in the Project Fund. If the Project Fund or any part thereof is converted to investments as set forth in this Agreement, such investments will be made in the name of the Custodian and the Custodian hereby agrees to hold such

investments as bailee for the Assignee so that the Assignee is deemed to have possession of such investments for the purpose of perfecting its security interest.

7. Control of Project Fund. In order to perfect the Assignee's security interests by means of control in (i) the Project Fund established hereunder, (ii) all securities entitlements, investment property and other financial assets now or hereafter credited to the Project Fund, (iii) all of the City's rights in respect of the Project Fund, such securities entitlements, investment property and other financial assets, and (iv) all products, proceeds and revenues of and from any of the foregoing personal property (collectively, the "Collateral"), the Corporation, the City and the Custodian further agree as follows:

(a) All terms used in this Section 7 which are defined in the Commercial Code of the State of California ("Commercial Code") but are not otherwise defined herein will have the meanings assigned to such terms in the Commercial Code, as in effect on the date of this Agreement.

(b) The Custodian will comply with all entitlement orders received in writing and originated by the Assignee with respect to the Collateral, or any portion of the Collateral, without further consent by the City.

(c) The Custodian hereby represents and warrants (a) that the records of the Custodian show that the City is the sole owner of the Collateral, (b) that the Custodian has not been served with any notice of levy or received any notice of any security interest in or other claim to the Collateral, or any portion of the Collateral, other than the Assignee's claim under this Agreement, and (c) that the Custodian is not presently obligated to accept any entitlement order from any person with respect to the Collateral, except for entitlement orders that the Custodian is obligated to accept from the Corporation under this Agreement and entitlement orders that the Custodian, subject to the provisions of paragraph (e) below, is obligated to accept from the City.

(d) Without the prior written consent of the Assignee, the Custodian will not enter into any agreement by which the Custodian agrees to comply with any entitlement order of any person other than the Assignee or, subject to the provisions of paragraph (e) below, the City, with respect to the Assignee's interest in the Collateral. The Custodian will promptly notify the Assignee if any person requests the Custodian to enter into any such agreement or otherwise asserts or seeks to assert a lien, encumbrance or adverse claim against any portion or all of the Collateral.

(e) Except as otherwise provided in this paragraph (e) and subject to Section 1(b) hereof, the Custodian may allow the City to effect sales, trades, transfers and exchanges of Collateral within the Project Fund, but will not, without the prior written consent of the Assignee, allow the City to withdraw any Collateral relating to the Assignee's interest from the Project Fund. The Custodian acknowledges that the Assignee reserves the right, by delivery of written notice to the Custodian, to prohibit the City from effecting any withdrawals (including withdrawals of ordinary cash dividends and interest income), sales, trades, transfers or exchanges of any Collateral

relating to the Assignee's interest held in the Project Fund. Further, the Custodian hereby agrees to comply with any and all written instructions delivered by the Assignee to the Custodian (once it has had a reasonable opportunity to comply therewith) relating to the Assignee's interest and has no obligation to, and will not, investigate the reason for any action taken by the Assignee, the amount of any obligations of the City to the Assignee, the validity of any of the Assignee's claims against or agreements with the City, the existence of any defaults under such agreements, or any other matter.

(f) The City hereby irrevocably authorizes the Custodian to comply with all instructions and entitlement orders delivered by the Assignee to the Custodian in relation to the Assignee's interest.

(g) The Custodian will not attempt to assert control, and does not claim and will not accept any security or other interest in, any part of the Collateral, and the Custodian will not exercise, enforce or attempt to enforce any right of setoff against the Collateral, or otherwise charge or deduct from the Collateral any amount whatsoever.

(h) The Custodian and the City hereby agree that any property held in the Project Fund will be treated as a financial asset under such section of the Commercial Code as corresponds with Section 8-102 of the Uniform Commercial Code, notwithstanding any contrary provision of any other agreement to which the Custodian may be a party.

(i) The Custodian is hereby authorized and instructed, and hereby agrees, to send to the Assignee at its address set forth in Section 8 below, concurrently with the sending thereof to the City, duplicate copies of any and all monthly Project Fund statements or reports issued or sent to the City with respect to the Project Fund.

8. Information Required Under USA PATRIOT ACT. The parties acknowledge that in order to help the United States government fight the funding of terrorism and money laundering activities, pursuant to Federal regulations that became effective on October 1, 2003 (Section 326 of the USA PATRIOT Act) all financial institutions are required to obtain, verify, record and update information that identifies each person establishing a relationship or opening an account. The parties to this Agreement agree that they will provide to the Custodian such information as it may request, from time to time, in order for the Custodian to satisfy the requirements of the USA PATRIOT Act, including but not limited to the name, address, tax identification number and other information that will allow it to identify the individual or entity who is establishing the relationship or opening the account and may also ask for formation documents such as articles of incorporation or other identifying documents to be provided.

8. Miscellaneous. This Agreement may not be amended except in writing signed by the City, the Corporation and the Custodian, with the prior written consent of the Assignee. This Agreement may be executed in one or more counterparts, each of which will be deemed to be an original instrument and each will have the force and effect of an original and all of which together constitute, and will be deemed to

constitute, one and the same instrument. Notices hereunder will be made in writing and will be deemed to have been duly given when personally delivered or when deposited in the mail, first class postage prepaid, or delivered to an express carrier, charges prepaid, or sent by facsimile with electronic confirmation, addressed to each party at its address below:
