Transportation and Public Works

CURRENT

- State Transit Assistance (STA) funding from the State of Good Repair (SGR) account authorized under SB1 (2017) is generated from a portion of a new transportation improvement fee on vehicle registration
- The SGR program goal is to provide funding to rehabilitate and modernize California's existing local transit systems

PROPOSED

- Request \$26,061 in SGR funds that Santa Rosa Transportation and Public Works Department will use to maintain and repair the fixed-route fleet of buses.

RECOMMENDATION

- It is recommended by the Transportation and Public Works Department that the Council, by resolution, approve the project list, and authorize the Director of Transportation and Public Works or his designee to request \$26,061 in FY 19-20 State of Good Repair (SGR) funding from the California Department of Transportation.
