

# PARKING USER FEES EFFECTIVE DATES

City Council Meeting  
August 8, 2017

Kim Nadeau  
Parking Manager, Finance Department

# CURRENT

- On June 6, 2107, Council approved new parking user fees to be effective January 8, 2018.

# PROPOSED

- This item requests that the new discounted parking permit for low wage employees become effective September 1, 2017; and
- Requests that the remainder of the parking user fees become effective January 1, 2018 (rather than Jan. 8<sup>th</sup>) for operational efficiencies.

# BENEFIT

- An effective date of September 1, 2017 will address the immediate need for affordable parking options for low wage employees.
- An effective date of January 1, 2018, rather than January 8<sup>th</sup>, for the remaining fees allows for a smooth transition to the new parking rates and future analysis based on full month data.

# RECOMMENDATION

- It is recommended by the Finance Department that the Council by resolution, 1) approve a September 1, 2017 effective date for the Low Wage Employee Permit; and 2) approve a January 1, 2018 effective date for the remainder of the Schedule of Parking User Fees, attached as Exhibit A.
