

PROJECT WORK ORDER – CONSTRUCTION MANAGEMENT AND INSPECTION WITH GREEN VALLEY CONSULTING ENGINEERS FOR FULTON ROAD WIDENING IMPROVEMENT PROJECT BETWEEN GUERNEVILLE ROAD AND PINER ROAD

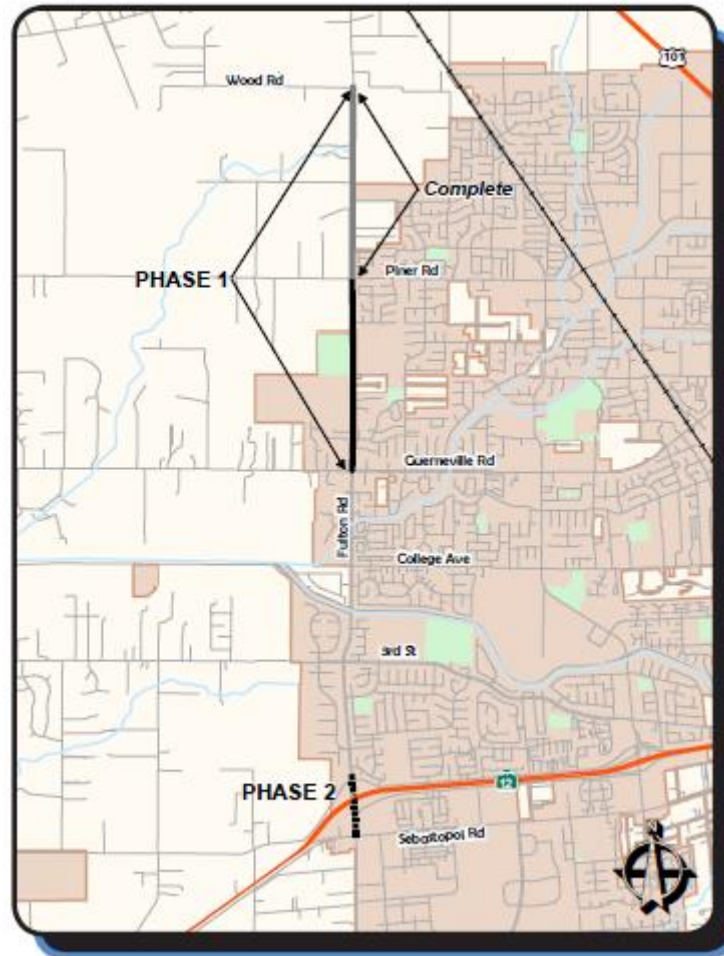

City Council Meeting
April 12, 2022

Chris Catbagan, Associate Civil Engineer
Transportation and Public Works Department

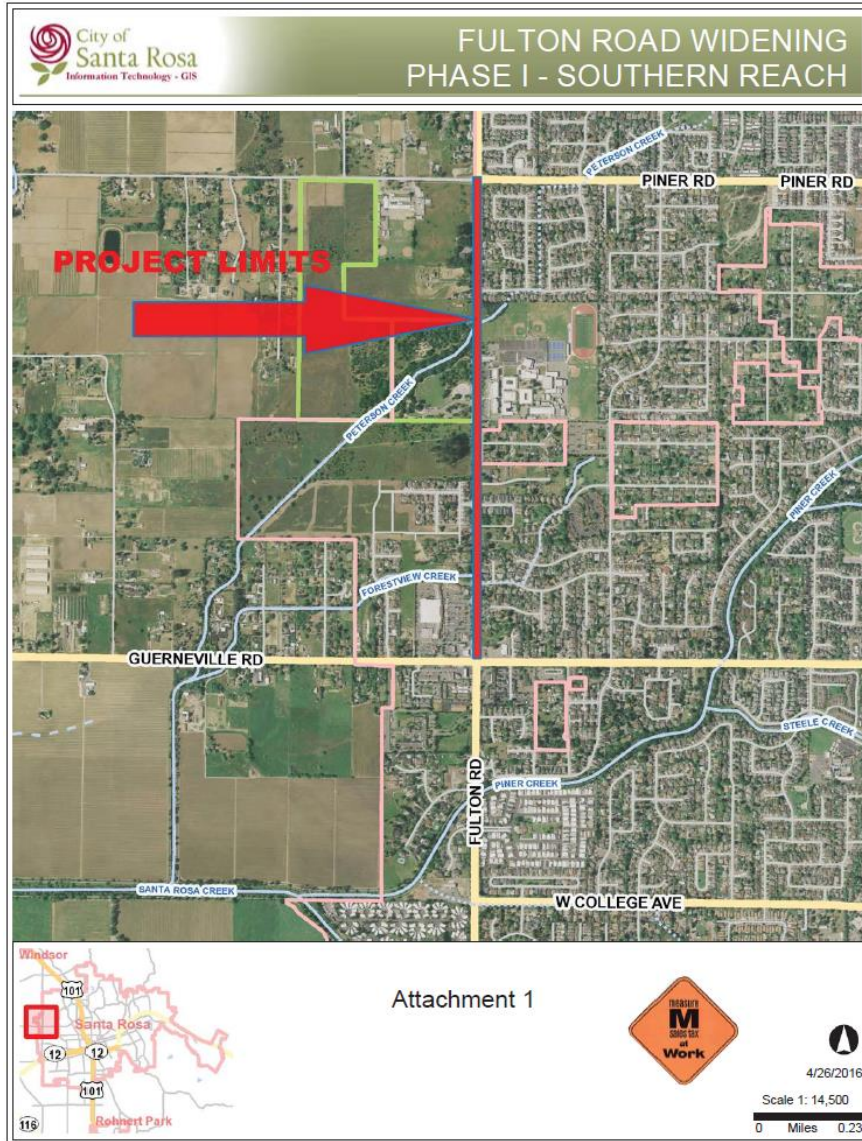

BACKGROUND

- Four-lane regional/ arterial road envisioned in the 2035 Santa Rosa General Plan.
- Widening road, new vehicle travel lanes, bicycle lanes, widened sidewalks, bus stops, stormwater treatment facilities, landscaping, traffic signals, utility relocations, installation of retaining walls, and easements acquisitions.
- Contract is 400 working days. Construction begins in May 2022
- Construction is expected to be completed by December 2023.
- Construction Contract to be awarded to Ghilotti Bros, Inc. / FBD Vanguard Construction, Inc.

BACKGROUND

BACKGROUND

ANALYSIS

- TPW does not have staff available to administer a construction contract of this size.
- Green Valley is qualified to complete Construction Management and Inspection Services.
- Green Valley's scope of work includes public relations, environmental compliance, biological monitoring & reporting, and hazardous materials monitoring required for completion of the Project.

RECOMMENDATION

- It is recommended by the Transportation and Public Works Department that the Council, by motion, approve Project Work Order with Green Valley Consulting Engineers of Santa Rosa, California, for Construction Management and Inspection Services associated with the Fulton Road Widening Project from Guerneville Road to Piner Road in the amount of \$2,251,332.00.
