**Ballot Measure to Increase  
Council Compensation**

# Council Compensation

- Council members currently receive \$800 per month salary, the Mayor \$1200 per month
- There has been no increase since 2005
- Charter Review Committee heard of the substantial workload of the Mayor and Council members and recognized the difficulties of balancing private employment, childcare, family and the significant responsibilities of Council membership

# Council Compensation

- Committee found that increased compensation would:
  - Enable a greater diversity of Council membership
  - Ensure continued strong commitment and professionalism
  - Reflect fairness and respect for the extensive and important work performed by members of the Council

# Council Compensation

- **Recommendation:**
  - Set Mayor's salary at Area Median Income for a three-person household (currently \$101,500)
  - Set Council members' salary at 2/3 of Area Median Income for a three-person household (currently \$66,990)
  - Permanently tie Mayor's and Council members' salaries to Area Median Income for a three-person household
  - Consider establishing a penalty or reduction in salary for unexcused absences, to parallel a city-wide salary reduction or as otherwise determined by Council

# Council Compensation

- **Options Considered by Council:**
  - Adopt Committee's recommendation
  - Propose single salary for both Mayor and Council members, with salary to be set at 100% of AMI for three-person household

# Council Compensation

- **Effective Date:**
  - Options:
    - New salaries effective upon certification of vote
    - New salaries apply only upon election or reelection
    - Set date certain for implementation of new salaries for all Council members

# Ballot Measure to Align with District-Based Election of Council Members

# District-based Elections

- California Voting Rights Act prohibits at-large election of Council members, if a city experiences racially polarized voting
- In 2018, an independent analysis of multiple prior City elections revealed racially polarized voting
- In 2018, under threat of litigation, the Council adopted an ordinance to begin the transition to district-based elections

# District-based Elections

- Revise Charter Section 4 to provide:
  - District-based election of Council members
  - District boundaries established and updated by Council ordinance in accordance with state and federal law
  - Residency and voter registration requirements for eligibility for office

- **Section 37: Deputy Officials**
  - Clarify that officers appointed by Council have the power to appoint their own deputies without need for confirmation by Council
