14. REPORT ITEMS

14.1 REPORT - RESOLUTION APPROVING SOLID WASTE COLLECTION SERVICES AGREEMENT BETWEEN THE CITY OF SANTA ROSA AND RECOLOGY

BACKGROUND: The City and North Bay Corporation have had an exclusive franchise agreement in place for the collection of solid waste, organic waste and recyclable materials since 2003. The agreement was last amended in 2010 and expires on December 31, 2017.

In September, 2016, City staff held two public meetings to receive public input and feedback regarding collection services in the City. The public expressed a desire for improved recycling and diversions rates, the need for education and outreach from the new collection services provider, improved customer service, and a preference for the selection of a quality services provider rather than the selection of the least expensive provider.

On October 20, 2016, the City issued a request for proposals (RFP) for collection services providers for the award of an exclusive franchise agreement in the City of Santa Rosa to commence on January 1, 2018.

RECOMMENDATION: It is recommended by the City Manager's Office that the Council, by resolution, approve the Solid Waste Collection Services Agreement between the City of Santa Rosa and Recology.

Presented by Gloria Hurtado, Deputy City Manager.

Yes: 7 - Mayor Coursey, Vice Mayor Tibbetts, Council Member Combs, Council Member Olivares, Council Member Rogers, Council Member Sawyer and Council Member Schwedhelm

14.2 REPORT - RESOLUTION - CALIFORNIA VOTING RIGHTS ACT

BACKGROUND: The Southwest Voter Registration Education Project (the "Education Project"), through its attorney Kevin Shenkman, has submitted a certified letter challenging the City's at-large election of council members. The Education Project alleges that racially polarized voting within the City has combined with the City's at-large election system to impair the ability of Latino voters to elect candidates of their choice or to influence the outcome of an election. The Education Project thus alleges that the City's at-large election system may violate the California Voting Rights Act, and it threatens litigation if the City does not voluntarily transition to a district-based election system. Attorney Shenkman has submitted similar claims against cities, counties and school districts throughout California. The City Attorney recommends that the Council give direction as to the appropriate response to the allegations.

RECOMMENDATION: It is recommended by the City Attorney that Council state its intent to respond to a legal challenge, brought under the California Voting Rights Act, to Santa Rosa's at-large voting system. Council action may be by: 1) Motion directing staff to research and defend against claims that the City's at-large election system violates the California Voting Rights Act; 2) Resolution stating Council's intent to place a measure on the ballot in June 2018, or as soon thereafter as is practical, proposing an amendment to the City Charter to transition the City to a district-based election system, and directing staff to undertake associated actions; 3) Resolution stating Council's intent to transition to district-based elections by ordinance adopted pursuant to Elections Code Section 10010 and Government Code Section 34886, and directing staff to undertake associated actions; or 4) Motion directing staff to seek declaratory relief in Superior Court.

Presented by Sue Gallagher, City Attorney.
