

DISCOUNT EVENING EMPLOYEE GARAGE PERMIT

City Council Meeting
April 14, 2020

Kim Nadeau, Parking Manager
Finance Department

CURRENT

- The City currently charges \$62 per month at the 1st Street and 7th Street Garages; and \$85 per month at the D Street and 5th Street garages for a non-reserved parking permit.
- A discounted permit is offered at \$31 per month for low wage employees.

PROPOSED

- This resolution proposes a significantly discounted garage permit for employees who work in the evening downtown.
- The permit would be offered at \$10/month, valid between 3 pm and 3 am, and would be available at all five City public garages.

BENEFIT

- Approval of this item will provide an incentive to employees to use off-street parking, freeing up highly desirable on-street parking spaces for downtown customers.

RECOMMENDATION

- It is recommended by the Finance Department that the Council, by resolution, 1) approve a discounted evening employee garage permit; and 2) approve a revised Schedule of Parking User Fees, attached as Exhibit A.
