

Public Transit Agency Safety Plan (PTASP)

City Council Meeting
December 15, 2020

Matthew Wilcox
Transit Planner, Transportation and Public Works

CURRENT

- This is the first iteration of the plan.
- Santa Rosa abides by transit safety protocols as well as the current City safety protocols.

PROPOSED

- The plan will formalize the current safety protocols in a format that the Federal Transit Administration (FTA) provided CityBus.
- The plan will combine general City safety protocols with those that are transit specific.

BENEFIT

- The plan will provide measurable goals for safety.
- The plan will provide a record for CityBus's commitment to safety for its workers and the public.
- Will provide a history of changes to CityBus's safety practices.

RECOMMENDATION

- It is recommended by the Transportation and Public Works Department that the Council, by resolution, approve the Santa Rosa CityBus Public Transit Agency Safety Plan (PTASP) to meet the requirements of the Federal Transit Administration's Public Transportation Agency Safety Plan Final Rule.
- Questions?
