Required Sign Variance Findings

- Strict compliance would preclude an effective design solution improving sign functionality, operational efficiency or appearance.
- Strict compliance would preclude an effective design solution fulfilling the basic intent of the applicable regulations.

Required Sign Variance Findings (Continued)

- The variance will not constitute a grant of special privilege inconsistent with limitations imposed on similarly zoned properties or inconsistent with the purposes of the zoning regulations.
- The proposed sign is architecturally and aesthetically compatible with the major structures on the subject site, and adjacent sites and is compatible with the character of the established neighborhood and general environment.

Environmental Review

California Environmental Quality Act (CEQA)

The proposed project has been reviewed in compliance with the California Environmental Quality Act (CEQA).

- Categorical Exemption pursuant to CEQA Guidelines Section 15311

- There are no unresolved issues as a result of staff review.

It is recommended by the Planning and Economic Development Department that the Zoning Administrator, by Resolution, approve a Sign Variance to allow for the installation of a second monument (freestanding) sign, located at 3286 Airway Drive.
