

CITY OF SANTA ROSA
CITY COUNCIL

TO: MAYOR AND CITY COUNCIL

FROM: GLORIA HURTADO, DEPUTY CITY MANAGER

SUBJECT: CITY/COUNTY PAYMENT PROGRAM (CCPP) AUTHORIZATION

AGENDA ACTION: RESOLUTION

RECOMMENDATION

It is recommended by the City Manager's Office that the Council, by resolution, authorize Sonoma County Waste Management Agency to submit applications on behalf of the City and execute agreements or other documents necessary to implement the City/County Payment Program (CCPP).

EXECUTIVE SUMMARY

Approval of this resolution is required for the County of Sonoma to continue to apply for and collect funding on behalf of the City for the City/County Payment Program (CCPP). Past projects include creating agreements for beverage container collection service, purchasing new collection containers and enclosures, and, since 2012, administering an educational campaign around the State's Mandatory Commercial Recycling program.

BACKGROUND

Since 2000, the State of California, first with the Department of Conservation and now with the Department of Recycling and Resource Conservation (CalRecycle), has allocated funding from uncollected deposits from beverage containers to California cities and counties. This program is called the City/County Payment Program (CCPP). For the entirety of this program, the Sonoma County Waste Management Agency has applied for these funds on behalf of all Sonoma County cities and the unincorporated county, pooled the funding, and implemented projects related to beverage container recycling.

A requirement to expend all funds from each grant cycle within two years was introduced in the FY 14/15 cycle, and CalRecycle is in the process of introducing additional requirements for the FY15/16 grant cycle.

PRIOR CITY COUNCIL REVIEW

Not applicable.

ANALYSIS

CalRecycle sent a notice to all CCPP grant managers on December 23, 2015 with information about the FY 2015/16 funding cycle. The notice stated all jurisdictions will be required to provide an authorizing resolution no later than the funding request due date of June 1, 2016.

The resolution gives Sonoma County Waste Management Agency authority to submit applications on behalf of the Agency members and execute agreements and necessary documents to implement the program.

FISCAL IMPACT

Approval of this action does not have a fiscal impact on the General Fund.

ENVIRONMENTAL IMPACT

This action is exempt from the California Environmental Quality Act (CEQA) because it is not a project which has a potential for resulting in either a direct physical change in the environment, or a reasonably foreseeable indirect physical change in the environment, pursuant to CEQA Guideline section 15378.
