

Low Carbon Transit Operations Program (LCTOP) Funding Request

City Council Meeting
March 14, 2017

Pam Lorence
Research and Program Coordinator
Transportation and Public Works - Transit

CURRENT

- SB 862 (2014) Transit, Affordable Housing, and Sustainable Communities Program for the use of proceeds from the cap and trade auctions.
- One element of the LCTOP is to provide assistance to *transit operators* to reduce greenhouse gas emissions and improve mobility.
- LCTOP uses a formula to distribute funds to transit operators with eligible projects throughout the state based on population and revenue.

PROPOSED

- Request \$93,257 in LCTOP funds that Santa Rosa Transportation and Public Works Department will use to assist in the operating of the increased frequency on trunk routes for the CityBus system

RECOMMENDATION

- Adopt a resolution authorizing the Director of Transportation and Public Works to request \$93,257 in LCTOP funding.
- Adopt a resolution authorizing the execution of the certifications and assurance documents and authorize the Director of Transportation and Public Works to execute all required documents.
