

Donation from Rotary Club of Santa Rosa West for Coffey Park Public Art

City Council Meeting
June 18, 2019

Tara Thompson, Arts Coordinator
Planning & Economic Development

Background

- The City of Santa Rosa Public Art Program has been working with the Recreation & Parks Department and the selected design team for the rebuild of Coffey Neighborhood Park to include public art in the Park.
- The available Public Art Funding for the art project is \$50,000.00.
- The Rotary Club of Santa Rosa West donation of \$10,000.00, paired with another generous donation has allowed for a much more robust project.
- The selected artists will design, fabricate and install public art in Coffey Neighborhood Park, in conjunction with the redesign/rebuild of the park.

Background

- The panel selecting the artist for the project included a representative from the Rotary Club of Santa Rosa West.
- The receipt of the donation will be acknowledged by the City of Santa Rosa through the installation of a plaque at the project site depicting the Rotary logo and the words “This project funded in part by a grant from the Rotary Club of Santa Rosa West.”

Recommendation

It is recommended by the Planning & Economic Development Department that the Council, by resolution, accept a \$50,000.00 donation from the Rotary International District 5130 Sonoma County Fire Relief Fund for the Coffey Park Public Art Project.
