15. REPORT ITEMS

15.1 REPORT SONOMA COUNTY WATER AGENCY 2016/17 WATER TRANSMISSION BUDGET AND WATER RATE INCREASE

BACKGROUND: The City of Santa Rosa purchases approximately 90% of the water supplied to our customers from the Sonoma County Water Agency (SCWA). The SCWA is proposing to raise the wholesale rate of water by 5.98% from \$761.05 to \$806.59 per acre foot. This increase is 'passed through' to Santa Rosa customers and would result in an average increase to the water usage charge of 2.6%.

There is a Water Advisory Committee (WAC) made up of elected officials of each of the contractors to the Sonoma County Water Agency's (SCWA) wholesale water. The WAC is an advisory committee to the SCWA Board of Directors. On April 4, 2016, the WAC is scheduled to vote on whether or not to recommend the SCWA budget and proposed rate increase for approval of the SCWA Board of Directors. The City Council may advise their representative to the Water Advisory Committee (WAC) prior to a WAC vote. Ultimately, the SCWA Board of Directors will have final authority to approve the proposed rate increase.

RECOMMENDATION: It is recommended by the Water Department and the Board of Public Utilities that the Council consider the SCWA budget and proposed water rate increase and, by motion, make a recommendation to the Council's Water Advisory Committee representative for the Water Advisory Committee vote on April 4, 2016.

Linda Reed, Acting Director of Water, introduced Michael Gossman, Division Manager, and Lynne Rosselli, Finance and Accounting Manager, from the Sonoma County Water Agency to make the presentation and answer questions from the Council.

Jones Hall Homeless Shelter, which provides 50 beds in the gymnasium portion of the shelter during the winter months (November 1, 2015 to March 31, 2016); and the Community Homeless Assistance Pilot Program (CHAPP), which allows owners to use their properties or facilities, which meet Zoning Code requirements, for safe parking, the placement of portable toilets, and temporary shelter, also during the winter months (November 1, 2015 to March 31, 2016).
