Exhibit A is attached hereto solely for the purpose of defining the manner and scope of services to be provided by Contractor and is not intended to, and shall not be construed so as to, modify or expand the terms, conditions or provisions contained in this Agreement. The parties agree that any term contained in Exhibit A that adds to, varies or conflicts with the terms of this Agreement is null and void.

2. TIME FOR PERFORMANCE

The services described herein shall be provided no later than March 31, 2025. Contractor shall devote such time and effort to the performance of services as is necessary for the satisfactory and timely performance of Contractor's obligations under this Agreement. 3. STANDARD OF PERFORMANCE

Contractor shall perform all services required under this Agreement in the manner and according to the standards currently observed by a competent practitioner of Contractor's occupation in California. All products and services of whatsoever nature that Contractor provides to City pursuant to this Agreement shall conform to the standards of quality normally observed by persons currently practicing in Contractor's occupation, and shall be provided in accordance with any schedule of performance specified in Exhibit A. Contractor shall assign only competent personnel to perform services pursuant to this Agreement. In the event that City, at any time during the term of this Agreement, desires the removal of any person assigned by Contractor to perform services pursuant to this Agreement, because City, in its sole discretion, determines that such person is not performing in accordance with the standards required herein, Contractor shall remove such person immediately upon receiving notice from City of the desire of City for the removal of such person.

In no event shall the City be obligated to pay late fees or interest, whether or not such requirements are contained in Contractor's invoice.

c. Invoices. Payment will be made in arrears upon satisfactory completion of all services as set forth in Exhibit A. Processing of payment will be delayed for Contractor's failure to include reference to Agreement (including number) on the invoice **and for failure to maintain current insurance information with the City in accordance with insurance requirements hereunder.** In no event shall City be obligated to pay late fees or interest, whether or not such requirements are contained in the Contractor's invoice. Invoices for services provided in June or for any services not previously invoiced shall be submitted within 10 working days after June 30 to facilitate City fiscal year end closing. The City may deduct any delinquent business taxes, and any penalties and interest added to the delinquent taxes, from its payments to Contractor.

6. TERM, SUSPENSION, TERMINATION

a. The term of this Agreement shall be through March 31, 2025.

b. City shall have the right at any time to temporarily suspend Contractor's performance hereunder, in whole or in part, by giving a written notice of suspension to Contractor. If City gives such notice of suspension, Contractor shall immediately suspend its activities under this Agreement, as specified in such notice.

c. City shall have the right to terminate this Agreement for convenience at any time by giving a written notice of termination to Contractor. If City gives such notice of termination, Contractor shall immediately cease rendering services pursuant to this Agreement. If City terminates this Agreement, City shall pay Contractor the reasonable value of services rendered by Contractor prior to termination. In this regard, Contractor shall furnish to City such information as in the judgment of the City is necessary for City to determine the reasonable value of the services rendered by Contractor. City shall not in any manner be liable for lost profits that might have been made by Contractor had the Agreement not been terminated or had Contractor completed the services required by this Agreement.

7. TERMINATION OF AGREEMENT FOR DEFAULT

If at any time 1) Contractor fails to conform to the requirements of this

Agreement; 2) Contractor seeks relief under any law for the benefit of insolvents or is adjudicated bankrupt; 3) any legal proceeding is commenced against Contractor which may interfere with the performance of this Agreement; or 4) Contractor has failed to supply an adequate working force, or materials of proper quality, or has failed in any other respect to prosecute the work with the diligence and force specified and intended in and by the terms of this Agreement, which default is not fully corrected or remedied to the reasonable satisfaction of City within ten (10) days following the date a written notice thereof by City, then City shall have the right and power, at its option and without prejudice to any other rights or remedies it may have, to immediately terminate this Agreement. Any cost or expense incurred by City arising out of Contractor's breach or default hereunder, and for City's enforcement of these rights, shall be the obligation of Contractor and may, at City's discretion, be deducted from any amounts that may then be owing to Contractor under this Agreement, without any release or waiver of any other rights or remedies in law or equity to which City may be entitled.

8. INDEMNIFY AND HOLD HARMLESS AGREEMENT

Contractor shall indemnify, defend and hold harmless City and its employees, officials, and agents, from and against any liability, (including liability for claims, suits, actions, arbitration proceedings, administrative proceedings, regulatory proceedings, losses, expenses or costs of any kind, whether actual, alleged or threatened, interest, defense costs, and expert witness fees), where the same results from or arises out of the performance of this Agreement by Contractor, its officers, employees, agents, or sub-contractors, excepting only that resulting from the sole, active negligence or intentional misconduct of City, its employees, officials, or agents. This indemnification obligation is not limited in any way by any limitation on the amount or type of damages or compensation payable to or for Contractor or its agents under workers' compensation acts, disability benefits acts, or other employees' benefits acts. The provisions of this Section 8 shall survive any expiration or termination of this Agreement.

9. INSURANCE REQUIREMENTS

Contractor shall maintain in full force and effect all of the insurance coverage described in, and in accordance with, Attachment One, "Insurance Requirements", which is attached hereto and hereby incorporated herein by this reference. Maintenance of the insurance coverages as set forth in Attachment One is a material element of this Agreement and a material part of the consideration provided by Contractor in exchange for the City's agreement to make the payments prescribed hereunder. Failure by Contractor to (i) maintain or renew coverage, (ii) provide the City notice of any changes, modifications, or reductions in coverage, or (iii) provide evidence of renewal, may be treated by the City as a material breach of this Agreement by Contractor, whereupon the City shall be entitled to all rights and remedies at law and in equity, including but not limited to the immediate termination of this Agreement. Notwithstanding the foregoing, any failure by Contractor to maintain required insurance coverage shall not excuse or alleviate Contractor from any of its other duties or

obligations under this Agreement. In the event Contractor, with approval of the City pursuant to Section 11 below, retains or utilizes any subcontractors in the provision of any services to City under this Agreement, Contractor shall assure that any such subcontractor has first obtained, and shall maintain, all of the insurance coverage requirements set forth in Attachment One.

10. LEGAL REQUIREMENTS AND PERMITS; NONDISCRIMINATION

Contractor represents and warrants that Contractor has all licenses, permits, City Business Tax Certificate, qualifications, and approvals of whatsoever nature that are legally required for Contractor to practice its occupation and provide services under this Agreement. Contractor shall perform all services described herein in compliance with all applicable federal, state and local laws, rules, regulations, and ordinances, including but not limited to, (i) the Americans With Disabilities Act (ADA) of 1990, (42 U.S.C. 12101, et seq.), and any regulations and guidelines issued pursuant to the ADA, which prohibits discrimination against individuals with disabilities and may require reasonable accommodations; (ii) and Labor Code Sections 1700-1775, which require prevailing wages (in accordance with DIR schedule at www.dir.ca.gov) be paid to any employee performing work covered by Labor Code Section 1720 et seq.; (iii) OSHA; and (iv) the Immigration Reform and Control Act of 1986. b. Non-Discrimination. With respect to the provision of goods or services under this Agreement, Contractor agrees not to discriminate against any person because of the race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status of that person.

11. ASSIGNMENT AND SUBCONTRACTING

Any attempted or purported subcontract or assignment without City's written consent shall be void and of no effect. No right under this Agreement, or claim for money due or to become due hereunder, shall be asserted against the City, or persons acting for the City, by reason of any so-called assignment of this Agreement or any part thereof and Contractor hereby agrees to indemnify and hold City harmless against any and all such claims. In the event Contractor obtains the prior written consent of City to assign monies due or to become due under this Agreement, Contractor shall provide City a copy of the instrument of assignment duly executed by Contractor, which shall contain a clause subordinating the claim of the assignee to all prior liens for services rendered or materials supplied for the

performance of work. Upon notice and request by the City, Contractor shall promptly remedy, to include termination of any subcontract as appropriate and necessary, any default or failure to perform in a satisfactory manner the work undertaken by any subcontractor. Contractor shall be fully responsible and accountable to the City for the acts and omissions of its subcontractors, and of persons directly or indirectly employed by them, to the same extent that Contractor is for the acts and omissions of persons directly employed by Contractor. Nothing contained in this Agreement shall create any contractual relation between any subcontractor and the City.

12. BINDING EFFECT

This Agreement shall be binding on the heirs, executors, administrators, successors, and assigns of the parties, subject to the provisions of Section 11, above.

13. RETENTION OF RECORDS

14. ENTIRE AGREEMENT

This document, including all Exhibits and Attachment One, contains the entire agreement between the parties and supersedes whatever oral or written understanding the parties may have had prior to the execution of this Agreement. No alteration to the terms of this Agreement shall be valid unless approved in writing by Contractor, and by City, in accordance with applicable provisions of the Santa Rosa City Code.

15. SEVERABILITY

If any portion of this Agreement or the application thereof to any person or circumstance shall be held invalid or unenforceable, the remainder of this Agreement shall not be affected thereby and shall be enforced to the greatest extent permitted by law.

16. WAIVER

Neither City acceptance of, or payment for, any service performed by Contractor, nor any waiver by either party of any default, breach or condition precedent, shall be construed as a waiver of any provision of this Agreement, nor as a waiver of any other default, breach or condition precedent or any other right hereunder.

17. ENFORCEMENT OF AGREEMENT

This Agreement shall be governed, construed and enforced in accordance with

the laws of the State of California. Venue of any litigation arising out of or connected with this Agreement shall lie exclusively in the state trial court located in Sonoma County in the State of California, and the parties consent to jurisdiction over their persons and over the subject matter of any such litigation in such court, and consent to service of process issued by such court.

Neither Contractor nor Contractor's assigned personnel shall be entitled to any benefits payable to employees of City. City is not required to make any deductions or withholdings from the compensation payable to Contractor under the provisions of this Agreement, and Contractor shall be issued a Form 1099 for its services hereunder. As an independent contractor, Contractor hereby agrees to indemnify and hold City harmless from any and all claims that may be made against City based upon any contention by any of Contractor's employees or by any third party, including but not limited to any state or federal agency, that an employer-employee relationship or a substitute therefor exists for any purpose whatsoever by reason of this Agreement or by reason of the nature and/or performance of any services under this Agreement.

b. It is further understood and agreed by the parties hereto that Contractor, in the performance of Contractor's obligations hereunder, is subject to the control and direction of City as to the designation of tasks to be performed and the results to be accomplished under this Agreement, but not as to the means, methods, or sequence used by Contractor for accomplishing such results. To the extent that Contractor obtains permission to, and does, use City facilities, space, equipment or support services in the performance of this Agreement, this use shall be at the Contractor's sole discretion based on the Contractor's determination that such use will promote Contractor's efficiency and effectiveness. Except as may be specifically provided elsewhere in this Agreement, the City does not require that Contractor use City facilities, equipment or support services or work in City locations in the performance of this Agreement.

c. If, in the performance of this Agreement, any third persons are employed

by Contractor, such persons shall be entirely and exclusively under the direction, supervision, and control of Contractor. Except as may be specifically provided elsewhere in this Agreement, all terms of employment, including hours, wages, working conditions, discipline, hiring, and discharging, or any other terms of employment or requirements of law, shall be determined by Contractor. It is further understood and agreed that Contractor shall issue W-2 or 1099 Forms for income and employment tax purposes, for all of Contractor's assigned personnel and subcontractors.

d. The provisions of this Section 19 shall survive any expiration or termination of this Agreement.
