

RESOLUTION NO. 11847

RESOLUTION OF THE PLANNING COMMISSION OF THE CITY OF SANTA ROSA RECOMMENDING TO CITY COUNCIL PREZONING OF THE PROPERITES LOCATED AT 3747 AND 3753 CHANATE ROAD TO THE R-1-6 (SINGLE-FAMILY RESIDENTIAL) ZONING DISTRICT; ASSESSOR'S PARCEL NUMBERS 173-260-007 & 173-260-008; FILE NO. ANX17-004

WHEREAS, on August 24, 2017, the Planning Commission of the City of Santa Rosa held a duly noticed public hearing to determine the appropriate boundary and appropriate and proper prezoning designations which should be placed on the annexation area at which time all those wishing to be heard were allowed to speak on the proposed annexation boundary and prezoning designation; and

WHEREAS, the Planning Commission has received, reviewed and given due consideration to the records and report herein, and the oral and other evidence received at the public hearing, from the public, the applicant, and City staff; and

WHEREAS, the General Plan land use designation for the subject site is Very Low Density Residential (0.2-2.0 units per acre) which designation was reviewed as part of the Santa Rosa General Plan 2035 Environment Impact Report (EIR), adopted by City Council Resolution No. 27509, dated November 3, 2009, in compliance with the California Environmental Quality Act (CEQA), and the proposed Prezoning to the R-1-6 (Single-Family Residential) zoning district is consistent with the Very Low Density land use designation for clustered residential areas on hillsides.

NOW, THEREFORE, BE IT RESOLVED, that based on the evidence presented and the records and files herein, and pursuant to City Code Sections 20-64.060 (Prezoning) and 20-64-050 (Findings), the Planning Commission of the City of Santa Rosa finds and determines:

- A. The proposed amendment is consistent with the goals and policies of all elements of the General Plan, and any applicable specific plan in that the proposal would remain consistent with the permitted density cited in the General Plan which allows a minimum of one dwelling unit for each legally established parcel as indicated on Page 2-9 of the General Plan. Further, City staff have determined the proposed Prezoning and subsequent annexation of the subject site are a logical extension of the City limits and services. Requisite staff have reviewed the proposal and found that adequate services are available to serve the site, referenced in General Plan Policy LUL-A-2.
- B. The proposed amendment would not be detrimental to the public interest, health, safety, convenience, or welfare of the City in that the proposal would not allow for an increased residential density from the current development, and the proposal has been reviewed by requisite City staff and outside agencies.

- C. The project has been reviewed in compliance with the California Environmental Quality Act (CEQA) pursuant to CEQA Guidelines Section 15183 in that the proposed Rezoning is consistent with the General Plan. The Very Low Density Residential designation was reviewed as part of the Santa Rosa General Plan 2035 Environment Impact Report (EIR), adopted by City Council Resolution No. 27509, dated November 3, 2009, and the proposed Rezoning to the R-1-6 (Single-Family Residential) zoning district is consistent with the Very Low Density land use designation for clustered residential areas on hillsides.
- D. The proposed amendment is internally consistent with other applicable provisions of the Zoning Code in that the R-1-6 zoning district implements the Very Low Residential Density land use of the General Plan in clustered hillside areas, and any development modifications on the subject site would be required to be in compliance with any standards listed in the Zoning Code.
- E. The site is physically suitable (including absence of physical constraints, access, compatibility with adjoining land uses, and provision of utilities) for the requested zoning designations and anticipated land uses/developments.

BE IT FURTHER RESOLVED that the Planning Commission of the City of Santa Rosa, based on the evidence presented and the above findings, recommends to the City Council the approval and adoption of the rezoning of property described as Assessor's Parcel Numbers 173-260-007 & 173-260-008 to the R-1-6 (Single-Family Residential) zoning district.

REGULARLY PASSED AND ADOPTED by the Planning Commission of the City of Santa Rosa on the 24th day of August, 2017, by the following vote:

AYES: (6) Chair Cisco, Vice Chair Edmondson, Commissioners Duggan, Groninga, Rumble, Weeks.

NOES: (0)

ABSTAIN: (0)
