Subject: [EXTERNAL] support for reducing speed limits on Sebastopol, Piner, Summerfield Roads

Dear City Council:

Just a quick note to express our support for item 12.4 on tomorrow's meeting agenda (12/10/19), reducing the speed limit to 35 mph on Sebastopol, Piner, and Summerfield Roads. This action will improve safety for ALL who use these streets, whether they walk, drive, or cycle.
