Impact Fees

INCLUSIONARY HOUSING / HOUSING ALLOCATION PLAN

- Housing Action Plan:
 - ✓ Seek inclusionary units in for-sale housing projects.
 - ✓ Require minimum of 15 % to be affordable to a mix of low and moderate income households.
 - ✓ Specify additional regulatory and financial incentives and alternative measures to maximize production.
 - ✓ Encourage innovation.
- Timeframe: completion in late summer/early fall 2018

Housing Action Plan

Program #1 - Increase Inclusionary Housing

A key directive from the Council is to increase the production of affordable housing as part of market-rate housing projects. The structure of the Housing Allocation Plan Ordinance requires that such inclusionary housing be achieved voluntarily (in lieu of paying the impact fee) through incentives offered to market-rate developers. The following four actions comprise incentives that can encourage market rate developers to include affordable units in their market rate projects.
