EXECUTIVE SUMMARY

Pursuant to Chapter 1-30 of the Santa Rosa City Code, a Hearing Officer conducts administrative hearings to determine whether or not violations of the City Code exist on a specific property. If violations exist, and associated administrative costs are not paid in full within 30 days, an administrative cost recovery lien may be placed on the property. In this case, the Hearing Officer found that violations existed on the property at 961 Stony Point Road, and that the violations have remained uncorrected by the responsible party, Gary A. Pigsley and Lili F. Pigsley, who appeared at the Administrative Hearing held on May 14, 2025. The unpaid lien amount of \$14,134.40 consists of administrative costs of \$11,214.71 assessed by the Administrative Hearing Officer, and actual costs of \$2,919.69 in Administrative Hearing Officer fees and cost for hearing preparation, conducting the hearing, review of evidence and preparation and service of the Administrative Enforcement Order.

On April 16, 2018, a formal complaint was issued to the Code Enforcement Department regarding "Furniture is stacked up, some with cover some without, can hardly see the house, rat infestation", at 961 Stony Point Road. A Notice of Violation was mailed to the Responsible Party at 961 Stony Point Road. The violation was not cleared and a Failure to Abate letter was mailed to the Responsible Party.

An Administrative Notice and Order was mailed to the Responsible Party by certified and regular mail on April 16, 2025. The Administrative Notice and Order were also posted on the property. The timely noticed Administrative Hearing was held on May 14, 2025. The Responsible Party did appear and administrative costs totaling \$14,134.40 were ordered to the City, pursuant to the Enforcement Order.

ANALYSIS

Pursuant to Chapter 1-30 of the Santa Rosa City Code, a Hearing Officer conducts administrative hearings to determine whether or not violations of the City Code exist on a specific property. Since May 2004, hearings have been scheduled twice a month. Per these procedures, when one or more violations are identified, the responsible party or parties are notified and given a reasonable time to make corrections. If the corrections are not accomplished by a specific date, the party or parties are required to appear before the Administrative Hearing Officer to determine whether or not the violations exist. Where administrative costs of the enforcement process were incurred and proven at the hearing, such costs are also assessed against the responsible party or parties. At the hearing, the responsible party or parties are advised that if the administrative costs remain unpaid, the City retains the option to either place an administrative cost recovery lien against the property where violations occurred, or to create a personal obligation against the responsible party.

If the responsible party has not paid the administrative costs in full within 30 days, the Code Enforcement Officer shall request, by placing on the City Council consent agenda, an item to confirm that an administrative cost recovery lien be added to the next regular bill levied against the parcel.

The County Auditor and the County Tax Collector require that the City Council act by resolution to create an administrative cost recovery lien. The resolution must identify the parcel by address, if available, by its recorded location in the Official Records of Sonoma County, and by the parcel number. It must also provide the dollar amount of the lien, and, when the lien amount is in excess of \$2,500, the number of equal annual installment payments but not exceeding five in number. The resolution also authorizes and empowers the officers of the City, including the City Clerk and the Chief Financial Officer, to do all things as may be necessary, including but not limited to notifications to the Sonoma County Auditor and Tax Collector, to carry out the foregoing.
