5.3 It is further agreed and understood that, except in cases of emergency, the CITY shall not implement any changes to any matter within scope, as defined by the Meyers-Milias-Brown Act, as amended, not covered herein without first having met and conferred with the ASSOCIATION. For purposes of this Agreement, emergency means any sudden and unforeseeable incident or occurrence.

20.1 Catastrophic leave is a paid leave of absence due to life-threatening verifiable long-term illness or injury such as, but not limited to, cancer and heart attack which clearly disables the individual.

20.2 All permanent employees of the City of Santa Rosa who have completed one (1) year in paid status shall be eligible for catastrophic leave due to their own catastrophic illness or injury or catastrophic illness or injury to dependent spouse, qualified domestic partner, parent or dependent minor child.

20.3 The employee must first exhaust all accrued sick leave, vacation leave, floating holiday, 20 hour benefit portion of administrative leave and compensatory time before qualifying for catastrophic leave. Once all accrued benefits have been

exhausted and catastrophic leave has been granted, the employee shall not accrue any vacation or sick leave while using donated hours. If an employee returns to work on a part-time basis during their catastrophic leave, the employee shall accrue vacation and sick leave. Any such accruals will be banked. No new accruals, if any, may be used until all catastrophic leave credit has been exhausted.

20.4 Catastrophic leave shall be additional paid leave available from vacation, compensatory leave, administrative leave hours, Management Benefit Plan or floating holidays donated by other CITY employees to a specific qualified employee.

20.5 Employees donating vacation, compensatory or administrative leave must be done in increments of whole hours. The donating employee must have a vacation leave balance of at least forty (40) hours after the donation of vacation time. Employees may donate all of their accrued compensatory time or administrative leave. Effective July 1, 2006, employees may also donate sick leave up to twenty four (24) hours in a fiscal year. Employees donating sick leave must have a balance of eighty (80) hours after the donation of sick leave.

Such leave may initially be approved up to a maximum of 340 donated hours. If the catastrophic illness or injury continues, up to an additional 340 donated hours may be recommended for approval.

20.7 If leave is granted, the CITY shall require the employee to provide medical information indicating the nature of the illness or injury, the prognosis and estimated date of return. In addition, the CITY shall require, prior to the employee's return to work, written approval from his or her doctor to resume job duties. The CITY shall require an employee to sign a form authorizing release to the CITY of any and all medical information prior to granting catastrophic leave. If the department head determines that documentation of illness or injury and ability to return to work is unnecessary, the requirement to provide medical information and doctor's release may be waived.

20.8 Catastrophic leave may not be used to extend a date of retirement. Various Government Code sections stipulate the circumstances to initiate disability

retirements. The CITY will comply with these provisions and other applicable Government Codes and PERS regulations.

20.9 Catastrophic leave shall not be used in conjunction with any long or short term disability benefits or Workers' Compensation leave.

20.10 The Finance Department shall account for the donation and disbursement of catastrophic leave hours. All time donated will be credited on an hour for hour basis regardless of hourly pay differentials between donating employee and recipient.

No punitive actions shall be imposed on employees for taking justifiable sick leave.

22.4 For the purpose of charging sick leave, the minimum sick leave chargeable shall be one quarter (.25) working hour.

22.10 If an employee has not recovered by the time they have exhausted their accumulated sick leave, the City Manager’s Office may grant the employee a leave of absence, without pay, upon receipt of such a request in writing from the employee. Sick leave shall not be used to extend a date of retirement; however, an employee, upon retirement, may convert his/her unused sick leave balance to service credit as authorized by CalPERS.
